

# Maestro's Masterclass

*Part of Opera San Luis Obispo's Opera in Education Program*

Join an enthusiastic community of both opera and OperaSLO lovers in this exciting survey of the current MET Live in HD season of operas! Opera San Luis Obispo's very own Artistic Director and Conductor, Dr. Brian Asher Alhadeff will take opera lovers through an exciting multi-media interactive extravaganza detailing each METHD opera just before it arrives here on the Central Coast! Participants will experience an in-depth and fun journey into the heart of opera: the composers, famous past and current opera stars, historic audio and video, and everything else you need to know before the show.

This course serves as continuation of Dr. Kathryn Bumpass' similar class following her recent retirement from teaching. Course fee is \$110 per participant and includes all 10 sessions, free parking and refreshments.
