Last updated 14-09-2020
Version 0.6

This Giveaway is operated by Orca App Limited ("Orca") - a company registered in England and Wales (company number 12376651), with its registered office at Wework Labs Office 01-104 70 Wilson Street, Finsbury, London, England, EC2A 2DB.

Orca will sometimes be referred to as 'we', 'us', or 'our'. Additionally, there are references to "You". In these instances, "You" may be a visitor to our website www.orca.app or a user of our mobile application ("Orca App") ("User").

We are working hard to develop an easy-to-use investment mobile application with cool design. Through Orca App you can invest in stocks, bonds, collection of stocks and more.

To celebrate the Orca launch in second half of 2020 we want to host a giveaway for our earlier adopters to thank them for support and interest. Join our waitlist and be the first to get access to the Orca App and get a chance to win free shares up to the value of £2750.

We will keep you up-to-date about the Orca App release date.

We will collect and process some of your personal information to allow us to operate this Giveaway. Please, refer to our Privacy Policy for more information about how we process and use it.

How It Works

How does the waitlist work?

Simply enter your email to get on the waitlist and reserve a place in the queue. You can refer friends with your unique link and follow us on Twitter and Facebook to move up the list. For every friend who uses your unique link to join the waitlist, you'll receive 1000 points and through friends following our Twitter and Facebook pages, you'll receive an additional 300 points. More friends you invite and more tasks you complete the higher you are on the leaderboard.

Who can participate?

Only UK tax residents who are 18 years old and above, excluding US nationals or dual US nationals who reside in the UK. We reserve the right, at own discretion, to refuse a participant to take part in the Giveaway.

How do I join?

You can join the waitlist by heading to www.orca.app and entering your email address where it says Join the Waitlist or Join the Giveaway. After you have verified your email you will be able to share your referral link to invite friends. To participate in the Giveaway you also have to verify your phone number.

How do I refer a friend?

Simply share your unique referral link with friends by messaging them, or post your link on Twitter, Facebook, or messengers. Once your friend enters their email and phone number you will receive 1000 points.

When will I get access?

Orca App will be launching in the UK in the second half of 2020. So long as you're on the waitlist, we'll let you know when Orca App is launched in stores. We promise it will be soon!

Why can't I get on the waitlist?

If you're having trouble for any reason, you can contact us by sending an email to hello@getorca.app.

How to move up the leaderboard and waitlist?

To move up the leaderboard you need to refer as many friends as possible. The more friends you refer the more points you will gain. Every referred friend that is verified will gain you 1000 points and don't forget to check new tasks in our app.

Why did I move down the waitlist?

Your space in the queue is constantly changing. As other waitlisters refer friends and subscribe to our social media, their positions change too. This means that you may see your place in the line go down if someone else moves ahead of you.

How does the giveaway work?

When you have verified both your email and a phone number you are automatically taking part in the Giveaway.

By the end of the giveaway according to your place you will receive a free share:

- From 1st to 10th place you will be gifted shares to the value of £200
- From 11th to 100th place you will be gifted shares to the value of £100

In addition, there will be a draw to win extra shares:

- One participant between 1st and 10th will win shares worth £2750!
- One participant between 11th and 100th place will win shares worth £1250

The same participant cannot win both prizes.

How to participate in the Giveaway?

To participate in the Orca Giveaway you have to enter and verify your email address and a phone number, and that's it.

Each User shall only have one registration at Orca Waitlist & Giveaway. In the case of multiple accounts, (e.g. a few accounts with the same first and last name, DoB, Address) Orca reserves the right to delete any other accounts without prior warning or notice chosen on its discretion.

When will the winners be announced?

The winners of the Orca Giveaway will be announced near the app launch and you will be notified in due course, no worries.

How do I receive the stocks that I won?

After the announcement of the winners and once the Orca App will be launched, you need to complete the full KYC process and within a couple of weeks, you will find your shares in your portfolio. If you failed the KYC process you will not be eligible for Giveaway prizes, as only a person who becomes our customer has access to Orca App. During the KYC process we may ask you to provide an information and/or photos of your ID (either your passport, residence permit or full driving license).

If you win in the Orca Giveaway we will need to open a General Investment Account (GIA) for you - an investment account that will allow you to receive the stocks won. General Terms and Conditions (T&Cs) will apply to any business transactions between Orca and you. The T&Cs will be available after the Orca App launch.

Please, keep in mind that you may have to pay tax on any profits made from using the stocks won.

Can I get off the waitlist?
