Celebrations, Accolades & Experiences

Where do we even begin?!?! We are so happy that we chose Osteria Via Stato for Lauren and Evan's wedding. The restaurant looked even more beautiful than we had imagined, and the food was hands down the best! We can't thank you enough for all of your hard work, which made Lauren and Evan's wedding absolutely perfect. You were there for us from day one...we simply could not have pulled this off without you. It was so great that we were all able to relax and enjoy the evening knowing that you had taken care of every detail for us. Please thank your staff on our behalf as well, they were all so accommodating, friendly, and professional. We have received only positive comments from our friends and family...many of them saying it was the loveliest wedding they had ever attended! Osteria Via Stato is lucky to have you!

Again, our heartfelt thanks!

I'm finally taking a moment to thank all who took part to make our wedding a fabulous evening. Almost two weeks later and I'm still getting mentions of the wonderful feast of delicious food that was served. All the staff at Osteria Via Stato provided excellent service and were just great people to be around. And I'm personally grateful for you and everyone there who provided a venue and service that made my planning very easy and stress free. I was able to thoroughly enjoy my whole day and the year of planning before it, and that was due in no small part to you.

Thank you all so much for a memorable wedding day. We will never forget it.

I apologize for how overdue this note is, but Jason and I wanted to thank you and the OVS staff for making our wedding ceremony and reception so incredible. We and our guests loved everything, and no one could stop raving about the food. You guys are amazing at what you do, and we really appreciate everyone's hard work in our behalf. It was a perfect event!

All the best, Meg and Jason

I just wanted to thank you and your staff for putting on a wonderful event for our wedding. I couldn't have asked for better service from start to finish. I can't tell you how many people complimented all of the waitstaff and still compliment me to this day.

I also wanted to especially thank you for all of the extra time and patience that you so gracefully displayed throughout the process of setting up and delivering such a great event. I can't thank you enough for everything. You had a huge hand in making our wedding a raving success! Thank you thank you thank you!!!!

Best Regards, Dana

We got so many compliments on our wedding thanks to Osteria Via Stato! People were either commenting on how stunning the venue was and that it was the most beautiful wedding they had ever seen, or they were commenting on how amazing the food was!

Thank you so much for a wonderful evening and all you and the staff at Osteria Via Stato did to make our wedding what most of our guests are calling "the best wedding ever!"

My husband and I attended a wedding reception this past Saturday at your restaurant. We can not say enough about how wonderful everything was. The staff was amazing and the food outstanding. Keep up the great work and kudos to the entire staff.

Allison and her team were a pleasure to work with and it was so reassuring to know that her team had all the details handled, especially since we opted not to have a wedding planner. I would highly recommend the venue for an unforgettable wedding that is intimate, turnkey, delicious and classy!

We initially chose Osteria for two reasons: amazing food, and a beautiful venue that needs little to no help to make for a beautiful wedding. What we found in OVS was so much more than that. Allison and Michelle had a solution for every problem that arose, and an answer to every question that was asked, and it was all within hours of my email or phone call. Even all the things I forgot to do for the wedding, they remembered! I also got so many compliments on the service at the restaurant and how wine glasses were always full! The management is amazing, the service is amazing, everything is amazing. And incredibly priced too – Wins all across the board!

We absolutely LOVED everything about having our wedding at Osteria. Allison was phenomenal to work with throughout the whole process. She's incredibly organized, detail-oriented, patient, knowledgeable...I could go on and on. As you said, the same holds true with the staff. There's something about LEYE staff that sets them apart from staff at other restaurants and venues. Even our guests commented about the incredible customer service at the wedding. Honestly, 10 months later, our family and friends are still going on and on about how fantastic it was. People thought the food was absolutely incredible and haven't stopped talking about some of the dishes. I think it's just a very unique venue for a wedding...much more warm and inviting than the average hotel wedding. I can't rave enough about Osteria.
