InView™ Custom Whiteboards
Capture and organize ever-changing information and communicate it with ease.

OPERATING ROOM - SCHEDULE

Montgomery Hospital

The writing is on the wall

Simplify the task of keeping everyone up-to-date with ever-changing information. Create the custom structure you need to capture, organize and communicate.
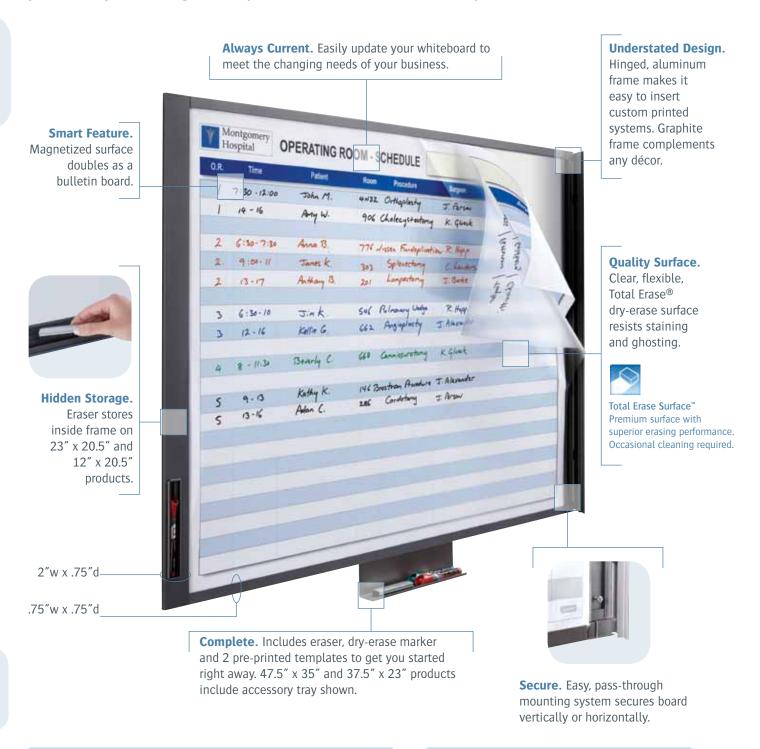

Imagine the possibilities!

Redefining features, function and flexibility

The Quartet InView™ solution lets you create a customized whiteboard that adapts to your specific communication or organizational needs while making the most of your time and budget. Choose from a variety of Planning Systems, Calendars, Workflow Charts and Personnel Boards, or create your own system using a variety of free on-line tools @ **www.QuartetCustomWhiteboards.com**

Always Current. Easily update your whiteboard to meet the changing needs of your business.

Understated Design. Hinged, aluminum frame makes it easy to insert custom printed systems. Graphite frame complements any décor.

Smart Feature. Magnetized surface doubles as a bulletin board.

Quality Surface. Clear, flexible, Total Erase® dry-erase surface resists staining and ghosting.

Total Erase Surface™ Premium surface with superior erasing performance. Occasional cleaning required.

Hidden Storage. Eraser stores inside frame on 23" x 20.5" and 12" x 20.5" products.

2"w x .75"d

.75"w x .75"d

Complete. Includes eraser, dry-erase marker and 2 pre-printed templates to get you started right away. 47.5" x 35" and 37.5" x 23" products include accessory tray shown.

Secure. Easy, pass-through mounting system secures board vertically or horizontally.

3 easy steps to customize your whiteboard

Begin capturing and organizing ever-changing information with the Quartet InView™ communication solution. Create the ideal Menu board, Patient Room Board, Planning system, Calendar, Workflow chart, Personnel Board and more, or develop your own planning and communication system that meets the demands of your business.

Step 1

Log on to www.QuartetCustomWhiteboards.com
Select from over 60 ready-to-customize templates that make it easy to create the organization or communication system for your specific business needs.

Make it your own. Add a logo or a photo. Change text. Add calendars and charts. How you customize it is up to you.

Step 2

Save & Print
Print internally or take your file to your local printer – and they'll print your artwork to our specifications. Just download our quick print specifications guide – and you'll have the information you need to get started.

Download here:

Step 3

Insert, Organize & Communicate – **It's that easy!**
The hinged, aluminum frame makes it easy to insert and secure your custom whiteboard design. Just slip the printed artwork between the frame and the clear, flexible dry-erase surface, and the whiteboard is ready to use.

Hospitality
Plan, organize and communicate easily in restaurants, hotels, and convention centers; manage and instantly update staff schedules, work assignments, displays and signage.

Corporate Offices
The ideal way to stay organized and communicate what needs to get done: Timeline plans/progress tracking, Goal/Performance progress and Project management.

Financial/Banking
Unify and organize your financial or banking communications: Internal audit schedules, Daily rate interest changes/displays or Mortgage rate tracking board.

Healthcare/Medical
Create your ideal system for: ER patient registration, OR scheduling, In-room Patient Status boards and more!

Service Industries
Planning, communication and organizational tools that adapt to your specific business needs: Inventory tracking, Incident/Safety signage, Work schedules or Sales tracking.

Advertising Specialty
Create an impression in the marketplace and keep your messages consistent with: Custom menu boards, Medical office hour signage and more.

Compare for yourself
