Revision Number 1

**SAFETY DATA SHEET** 

4

The supplier identified below generated this SDS using the UL SDS template. UL did not test, certify, or approve the substance described in this SDS, and all information in this SDS was provided by the supplier or was reproduced from publically available regulatory data sources. UL makes no representations or warranties regarding the completeness or accuracy of the information in this SDS and disclaims all liability in connection with the use of this information or the substance described in this SDS. The layout, appearance and format of this SDS is © 2014 UL LLC. All rights reserved.

# 1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKING

Product identifier

| Product Name                                     | IVR51520 4oz Gel, Anti-Static Screen Spray                |  |
|--|---|--|
| Other means of identification                    |   |  |
| Synonyms   | None  |  |
| Recommended use of the chemical                  | and restrictions on use                                   |  |
| Recommended Use                                  | Wipes, Cleaning (with Chemical)                           |  |
| Uses advised against                             | No information available                                  |  |
| Details of the supplier of the safety data sheet |   |  |
| Supplier Name                                    | UAB "Fabrica moderna"                                     |  |
| Supplier Address                                 | A.Juozapavičiaus pr. 7F,<br>LT-45251<br>Kaunas, Lithuania |  |
| Supplier Phone Number                            | Phone: +370 682 54054                                     |  |
| Supplier Email                                   | info@fabrica-moderna                                      |  |
| Emergency telephone number                       |   |  |

|  | 2. HAZARDS IDENTIFICATION                                 |  |

#### Classification

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

### GHS Label elements, including precautionary statements

#### **Emergency Overview**

The product contains no substances which at their given concentration, are considered to be hazardous to health.

| Appearance Clear | Physical state Pre-Moistened Towelette | Odor Odorless |
|------------------|--|---------------|
|                  | (no free liquids) Solid                |               |

**Precautionary Statements - Prevention** Obtain special instructions before use

Precautionary Statements - Response None

Precautionary Statements - Storage None

Precautionary Statements - Disposal None

Hazards not otherwise classified (HNOC)

Not applicable

<u>Unknown Toxicity</u> 0% of the mixture consists of ingredient(s) of unknown toxicity

#### **Other information**

May cause slight eye irritation

Interactions with Other Chemicals No information available.

3. COMPOSITION/INFORMATION ON INGREDIENTS

| Chemical Name         | CAS No      | Weight-% | Trade Secret |
|-----------------------|-------------|----------|--------------|
| Supplier Trade Secret | Proprietary | 1 - 5    | *            |

\*The exact percentage (concentration) of composition has been withheld as a trade secret

# 4. FIRST AID MEASURES

#### First aid measures

| Eye contact  | Rinse thoroughly with plenty of water, also under the eyelids. If symptoms persist, call a physician. |
|--------------|---|
| Skin contact | Wash with soap and water.   |

| Inhalation   | Remove to fresh air.  |  |
|--|---|--|
| Ingestion  | Rinse mouth immediately and drink plenty of water. Never give anything by mouth to an unconscious person. |  |
| Most important symptoms and effect   | cts, both acute and delayed   |  |
| Most Important Symptoms and<br>Effects   | No information available.   |  |
| Indication of any immediate medica   | l attention and special treatment needed  |  |
| Notes to Physician   | Treat symptomatically.  |  |
|  | 5. FIRE-FIGHTING MEASURES   |  |
| Suitable Extinguishing Media<br>Use extinguishing measures that are a                                | appropriate to local circumstances and the surrounding environment.                                       |  |
| Unsuitable extinguishing media<br>CAUTION: Use of water spray when fighting fire may be inefficient. |   |  |
| Specific hazards arising from the chemical<br>No information available.                              |   |  |
| Hazardous Combustion Products<br>Carbon oxides.  |   |  |
| Explosion Data<br>Sensitivity to Mechanical Impact   | No.   |  |
| Sensitivity to Static Discharge  | No.   |  |
| Protective equipment and precautio   | ons for firefighters  |  |

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

# 6. ACCIDENTAL RELEASE MEASURES

### Personal precautions, protective equipment and emergency procedures

| Personal precautions  | Avoid contact with eyes.  |  |
|---|---|--|
| Environmental precautions                                       |   |  |
| Environmental precautions<br>Methods and material for containme | Refer to protective measures listed in Sections 7 and 8.  |  |
| Methods for containment   | Prevent further leakage or spillage if safe to do so.   |  |
| Methods for cleaning up   | Pick up and transfer to properly labeled containers.  |  |
|   | 7. HANDLING AND STORAGE   |  |
| Precautions for safe handling                                   |   |  |
| Handling  | Handle in accordance with good industrial hygiene and safety practice. Avoid contact with eyes. |  |
| Conditions for safe storage, includi                            | ng any incompatibilities  |  |
| Storage   | Keep container tightly closed.  |  |
| Incompatible Products   | None known based on information supplied.   |  |
| 8. EXPOSURE CONTROLS/PERSONAL PROTECTION                        |   |  |

#### **Control parameters**

#### **Exposure Guidelines**

| Chemical Name         | ACGIH TLV                           | OSHA PEL   | NIOSH IDLH  |
|-----------------------|-------------------------------------|--|---|
| Supplier Trade Secret | STEL: 150 ppm<br>TWA: 100 ppm<br>S* | TWA: 100 ppm<br>TWA: 600 mg/m <sup>3</sup><br>(vacated) TWA: 100 ppm<br>(vacated) TWA: 600 mg/m <sup>3</sup><br>(vacated) STEL: 150 ppm<br>(vacated) STEL: 900 mg/m <sup>3</sup><br>(vacated) S*<br>S* | IDLH: 600 ppm<br>TWA: 100 ppm<br>TWA: 600 mg/m <sup>3</sup><br>STEL: 150 ppm<br>STEL: 900 mg/m <sup>3</sup> |

ACGIH TLV: American Conference of Governmental Industrial Hygienists - Threshold Limit Value OSHA PEL: Occupational Safety and Health Administration - Permissible Exposure Limits NIOSH IDLH Immediately Dangerous to Life or Health

### **Other Exposure Guidelines**

Vacated limits revoked by the Court of Appeals decision in AFL-CIO v. OSHA, 965 F.2d 962 (11th Cir., 1992)

## Appropriate engineering controls

| Engineering Measures               | Showers<br>Eyewash stations<br>Ventilation systems   |
|------------------------------------|--|
| Individual protection measures, su | ch as personal protective equipment  |
| Eye/face protection                | No special protective equipment required.  |
| Skin and body protection           | No special protective equipment required.  |
| Respiratory protection             | No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required. |
| Hygiene Measures                   | Handle in accordance with good industrial hygiene and safety practice.   |

# 9. PHYSICAL AND CHEMICAL PROPERTIES

## **Physical and Chemical Properties**

| Physical state<br>Appearance          | Pre-Moistened Towelette (no free liqu<br>Clear | iids), Solid<br><b>Odor</b> | Odorless                 |
|---------------------------------------|--|-----------------------------|--------------------------|
| Color                                 | No information available                       | Odor Threshold              | No information available |
| 000                                   | NO INOMIATION AVAILABLE                        | Odor Infestiold             | NO INFORMATION AVAILABLE |
| Property                              | <u>Values</u>                                  | Remarks Method              |                          |
| рН                                    | No data available                              | None known                  |                          |
| Melting / freezing point              | No data available                              | None known                  |                          |
| Boiling point / boiling range         | No data available                              | None known                  |                          |
| Flash Point                           | No data available                              | None known                  |                          |
| Evaporation Rate                      | No data available                              | None known                  |                          |
| Flammability (solid, gas)             | No data available                              | None known                  |                          |
| Flammability Limit in Air             |  |                             |                          |
| Upper flammability limit              | No data available                              |                             |                          |
| Lower flammability limit              | No data available                              |                             |                          |
| Vapor pressure                        | No data available                              | None known                  |                          |
| Vapor density                         | No data available                              | None known                  |                          |
| Specific Gravity                      | No data available                              | None known                  |                          |
| Water Solubility                      | Soluble in water                               | None known                  |                          |
| Solubility in other solvents          | No data available                              | None known                  |                          |
| Partition coefficient: n-octanol/wate | erNo data available                            | None known                  |                          |
| Autoignition temperature              | No data available                              | None known                  |                          |
| Decomposition temperature             | No data available                              | None known                  |                          |
| Kinematic viscosity                   | No data available                              | None known                  |                          |
| Dynamic viscosity                     | No data available                              | None known                  |                          |
| Explosive properties                  | No data available                              |                             |                          |
| Oxidizing properties                  | No data available                              |                             |                          |
| Other Information                     |  |                             |                          |
|                                       |  |                             |                          |
| Softening Point                       | No data available                              |                             |                          |
| VOC Content (%)                       | No data available                              |                             |                          |
| Particle Size                         | No data available                              |                             |                          |
| Particle Size Distribution            |  |                             |                          |

# **10. STABILITY AND REACTIVITY**

### **Reactivity**

No data available.

<u>Chemical stability</u> Stable under recommended storage conditions. <u>Possibility of Hazardous Reactions</u> None under normal processing. <u>Hazardous Polymerization</u> Hazardous polymerization does not occur.

<u>Conditions to avoid</u> None known based on information supplied. <u>Incompatible materials</u> None known based on information supplied. <u>Hazardous Decomposition Products</u> Carbon oxides.

# **11. TOXICOLOGICAL INFORMATION**

### Information on likely routes of exposure

| Product Information |   |
|---------------------|---|
| Inhalation          | Specific test data for the substance or mixture is not available. |
| Eye contact         | Specific test data for the substance or mixture is not available. |
| Skin contact        | Specific test data for the substance or mixture is not available. |
| Ingestion           | Specific test data for the substance or mixture is not available. |

#### **Component Information**

| Chemical Name         | Oral LD50          | Dermal LD50           | Inhalation LC50 |
|-----------------------|--------------------|-----------------------|-----------------|
| Supplier Trade Secret | = 5230 mg/kg (Rat) | = 9500 mg/kg (Rabbit) | -               |
|                       |                    |                       |                 |

#### Information on toxicological effects

| Symptoms   | No information available.                      |  |
|--|--|--|
| Delayed and immediate effects as well as chronic effects from short and long-term exposure |  |  |
| Sensitization  | No information available.                      |  |
| Sensilization  |  |  |
| Mutagenic Effects  | No information available.                      |  |
| Carcinogenicity  | Contains no ingredient listed as a carcinogen. |  |
|  |  |  |
| Reproductive toxicity  | No information available.                      |  |
|  |  |  |

| STOT - single exposure   | No information available.                      |
|--------------------------|--|
| STOT - repeated exposure | No information available.                      |
| Chronic Toxicity         | No known effect based on information supplied. |
| Target Organ Effects     | None known.                                    |
| Aspiration Hazard        | No information available.                      |

#### Numerical measures of toxicity Product Information

#### The following values are calculated based on chapter 3.1 of the GHS document Not applicable

# **12. ECOLOGICAL INFORMATION**

#### **Ecotoxicity**

The environmental impact of this product has not been fully investigated.

| Chemical Name         | Toxicity to Algae | Toxicity to Fish                                | Toxicity to<br>Microorganisms | Daphnia Magna (Water<br>Flea) |
|-----------------------|-------------------|---|-------------------------------|-------------------------------|
| Supplier Trade Secret |                   | 96h LC50: > 10000 mg/L<br>(Pimephales promelas) |                               | 48h LC50: = 1919 mg/L         |

### Persistence and Degradability

No information available.

#### **Bioaccumulation**

| Chemical Name         | Log Pow |
|-----------------------|---------|
| Supplier Trade Secret | -0.064  |

#### Other adverse effects

No information available.

# **13. DISPOSAL CONSIDERATIONS**

#### Waste treatment methods

Disposal methodsThis material, as supplied, is not a hazardous waste according to Federal regulations (40<br/>CFR 261). This material could become a hazardous waste if it is mixed with or otherwise<br/>comes in contact with a hazardous waste, if chemical additions are made to this material, or<br/>if the material is processed or otherwise altered. Consult 40 CFR 261 to determine whether<br/>the altered material is a hazardous waste. Consult the appropriate state, regional, or local<br/>regulations for additional requirements.Contaminated PackagingDispose of contents/containers in accordance with local regulations.

# **15. REGULATORY INFORMATION**

#### International Inventories

TSCA DSL Complies All components are listed either on the DSL or NDSL.

TSCA - United States Toxic Substances Control Act Section 8(b) Inventory DSL/NDSL - Canadian Domestic Substances List/Non-Domestic Substances List

### US Federal Regulations

#### SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

| SARA 311/312 Hazard Categories    |    |
|-----------------------------------|----|
| Acute Health Hazard               | No |
| Chronic Health Hazard             | No |
| Fire Hazard                       | No |
| Sudden release of pressure hazard | No |
| Reactive Hazard                   | No |

#### CWA (Clean Water Act)

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

#### CERCLA

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and

Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material

### US State Regulations

#### California Proposition 65

This product does not contain any Proposition 65 chemicals.
