

Make A Bold Statement With Elite Image® Color Cartridges

Want to make a bold statement with your color documents? Choose Elite Image® color cartridges for the quality and reliability you need to produce rich, vibrant colors on all of your color documents.

Using high quality chemical toners available, Elite Image® color cartridges are designed and engineered to produce constant vibrant colors every time you print, allowing you to make a bold statement with your color documents. Even better, at a significant discount over expensive National Brand cartridges, Elite Image® color cartridges allow you to save on color printing without ever sacrificing quality.

Key Benefits

- Benchmarked against the OEM
- Only high quality chemical toners used
- Designed for quality, reliability, and affordability
- 100% post-testing
- 100% worry-free satisfaction guarantee
