Dear Parents/ Carers,

Walnut Class

RE: HEADLICE

Several cases of head lice have been reported in your child's class. Please check your child's head and include other members of the family when heads are checked, and let the school know if treatment becomes necessary.

Pharmacists will advise on the most suitable product to use should treatment be necessary, and it is most important that the manufacturer's instructions are followed closely.

This is a continuing problem. Please continue to check your child's head regularly.

Many thanks for your help.

Yours sincerely

Miss Alesa Henham
