12th November 2015

Chestnut & Cedar

Dear Parents/Carers

As part of this term's 'Ice' topic, the children have been designing and creating clay ice sculptures. To enhance their learning we have arranged a live ice carving workshop led by ice sculptor John Bolton. He will transform a one metre block of ice (120kg) using chisels, sanders and chainsaws into a sculpture. The children will hear about his techniques and tools, and how he came to be one of the country's leading ice sculptors. This fantastic opportunity will take place on the morning of Thursday 3rd December 2015.

The cost of this workshop for your child is £4.50. Please send your voluntary contribution to the office in a named envelope by Friday 27th November 2015, along with the signed slip below.

Your child will be able to show you the finished sculpture in the playground at the end of the school day.

Thank you for your support!

Yours sincerely

Miss Bartlett      Mr Bailey

Year 2 Class Teachers

---

To be handed to the school office by Friday 27<sup>th</sup> November.

(please tick)

I enclose a voluntary contribution of £4.50 for the ice carving workshop on Thursday 3<sup>rd</sup> December.
