Grades 6-9

Duration

50-60 minutes

Construction Set OzoBlockly Programming Challenge

Place Ozobot Bit bulldozer at start. Write an OzoBlockly program to:

- (1) Make Ozobot Bit move the radioactive waste block to its drop-off zone.
- (2) Make Ozobot Bit move the bricks block to its drop-off zone.
- (3) Return Ozobot Bit to the start position facing right and powered down.
