Submission Deadlines

What is a Submission deadline?

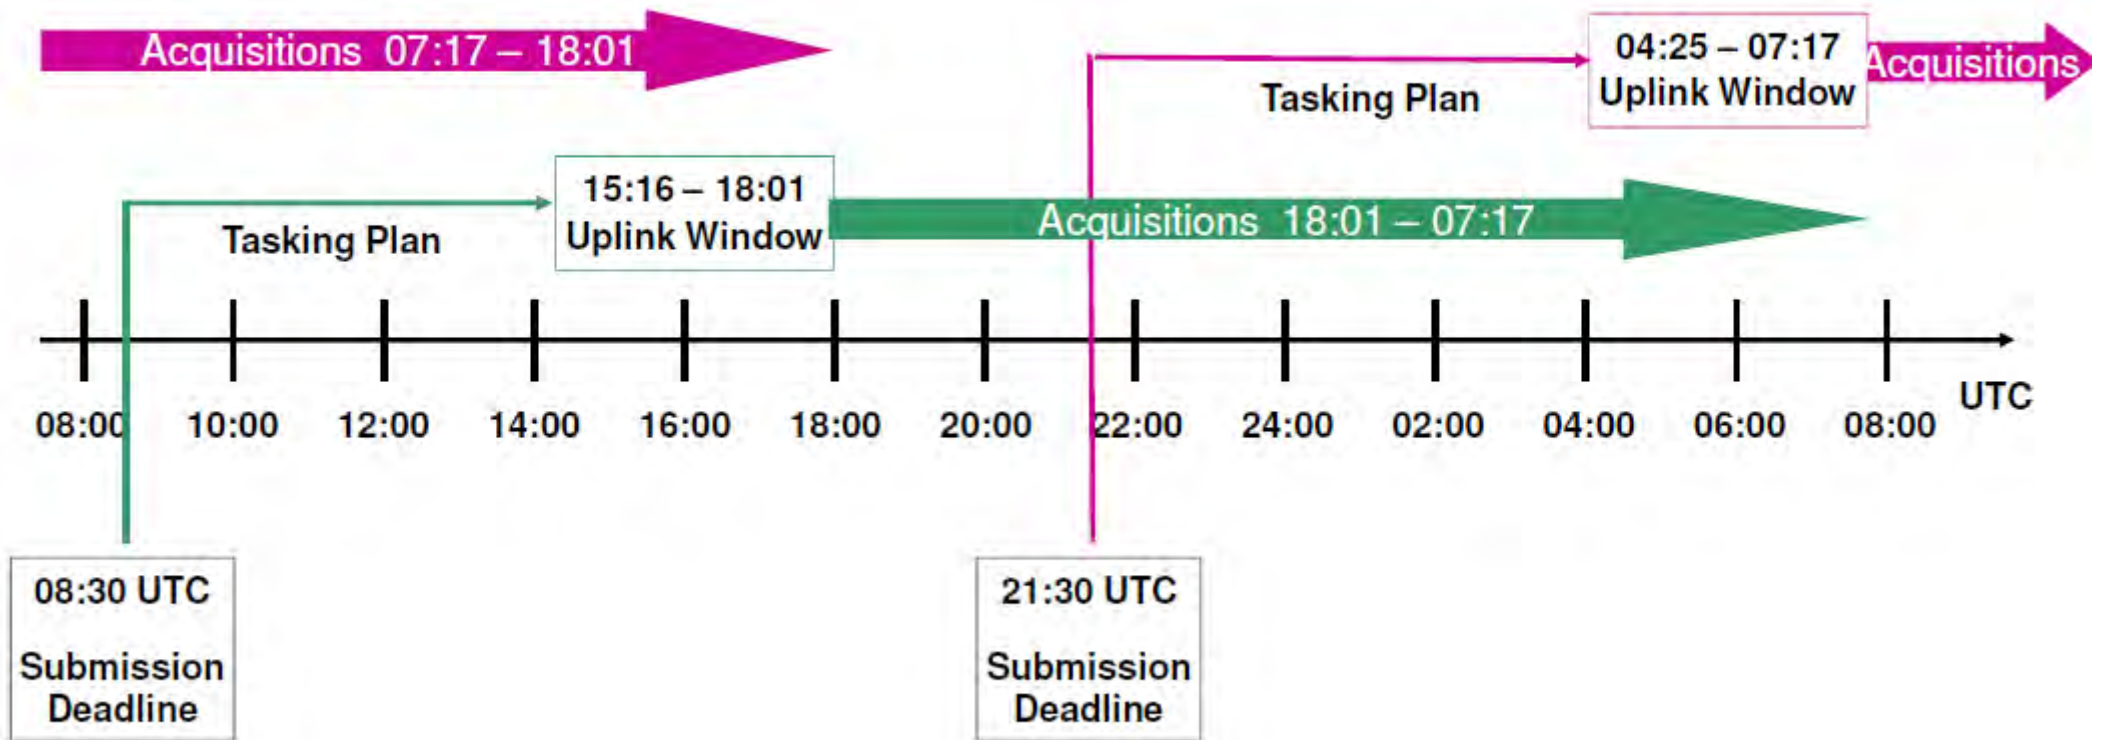

A submission deadline represents the latest timeslot when a satellite tasking request needs to be sent

from Airbus Defence and Space GmbH to DLR (German Aerospace Center).

Two Submission deadlines per day exist: **8:30** and **21:30 UTC**

08:30 UTC for planning run at noon
21:30 UTC for early morning planning run

TerraSAR-X Tasking Timelines (2 taskings per day)

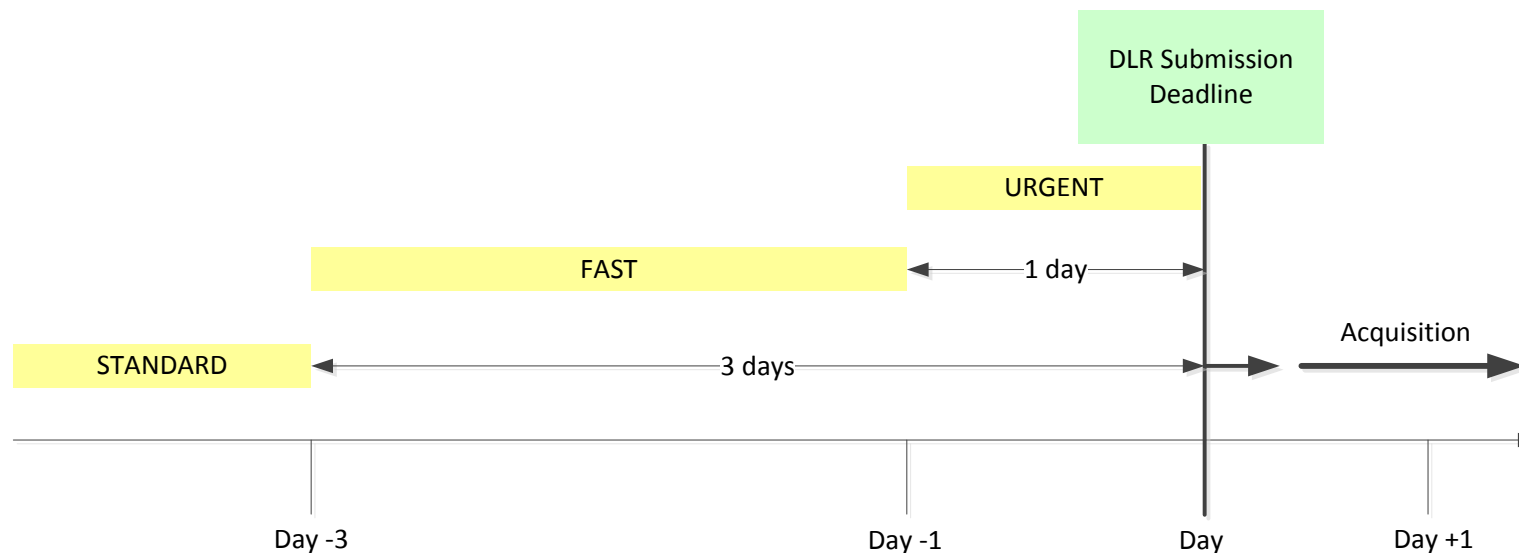

Late Ordering – Rapid Tasking Fee / Programming Mode

There are three **Tasking Categories**:

Standard: Order submitted more than 3 days before DLR Submission Deadline

Fast: Order submitted between 3 days and 1 day before DLR Submission Deadline

Urgent: Order submitted less than 1 day before DLR submission Deadline
