

SCHOOL DINNER FUNDRAISING PROGRAM!

PROGRAM DETAILS

This virtual fundraiser allows your school to have an additional fundraising channel to increase funding for your programs. For every order that we receive on your select date, we will donate \$5 back to your school!

FUNDRAISER FREQUENCY

You will work with our Pizza 73 fundraising coordinator to select your dates and the length of time for your fundraiser. These dates will be confirmed once registration is complete.

A school is able to utilize this fundraising channel once every six months. Please contact if you have further questions.

REGISTRATION PROCESS

To register your school or for further information, please contact us by email at fundraising@pizza73.com. Once we receive your email, our fundraising coordinator will reach out to you to assist in setting up and executing the fundraiser.

REPORTING & PAYMENTS

Schools will be provided an update of the dollars raised after their fundraiser and a cheque will be cut and sent to the school.

ORDERING MADE EASY

The fundraiser is open to all students, their parents, and school faculty who live within the school's territory. To place an order, they must submit the order online or through our app to receive the fundraising dollars.

CHOOSE TO FUNDRAISE WITH US!

EMAIL: fundraising@pizza73.com

Ongoing registration from October 2025 until May 2026.
