All pizzas are based on our signature pan dough. Nutritional information for alternative dietary options available on request. *The nutritional information for a 2 vegetable pizza is based on Mushroom and Green Peppers, but you may choose any one or two from Mushrooms, Roma Tomatoes, Green Peppers, and Pineapple. The Nutritional information is very similar. Nutritional information was obtained through Genesis R & D Nutritional Labeling Software, analysis by Maxxam Analytics Inc., an independent testing laboratory, and supplier of provided information. For gluten free nutritional information visit <https://www.pizza73.com/Pizza73/nutritional-info>

Enriched White Crust

Our pizzas come standard on Enriched White Crust, which has a nutritional value that meets the provincial guidelines. There is no added trans fat in the crust.

Vegetarian

Upon request, our Vegetarian Pizzas can be prepared with separate utensils, to avoid the inadvertent transfer of meat products to those pizzas.

Dietary Friendly Options:

- Gluten-free available at an additional cost. A Gluten-free order is a 12" pizza cut into 8 slices with 2 slices per serving.
- Dairy-free cheese is available at no extra charge.
- Plant-based options available upon request.
- No cheese option available upon request.
- No sauce available upon request.

Our 6" pizzas and 2 medium single slices come individually boxed and labelled. Our 14" pizzas come pre-sliced in one pizza box per 14" pizza. If you wish, we will sort your order by classroom (at no additional charge) so pizzas arrive at your school ready to be served. *Plates and Napkins free (upon request) *3-4 pairs of handling gloves (upon request).
