

Pack 491 Can & Bottle Drive!

Help our Cub Scouts recycle and raise money for our Pack. Runs November through February 21, 2027.

Hi neighbor! Our Cub Scouts are collecting returnable cans and bottles to raise money for Pack 491. A Scout is thrifty, and recycling helps keep the Earth clean and save energy. Every can and bottle you donate supports Pack events like our Blue & Gold dinner and end-of-year campout.

How it works:

- 1 Save your returnable cans and bottles.
- 2 On a pickup day, leave them in a bag by your mailbox by ____.
- 3 Your Scout will pick them up and redeem them. That's it!
