Standing firm

A few months ago, when we were just beginning to emerge from the CV19 lockdown, we launched our fresh Mission Action Plan: sharing Jesus with others in new and fresh ways; turning a new page in the life of the Church; blessing the lives of our neighbours. This is the 'mission' God has sent us on ('missio', sending). In this we need to keep going forward. Mission is a bit like riding a bike. If you stop moving forward, you fall off. So, keep going!

Changing the picture slightly, we learn from St Paul at Ephesians 6:10-20 that Christians need to "stand firm" in the faith; and in order to stand firm we need to put on God's armour. We might call it his 'spiritual PPE'. We are to stand firm, for there is an enemy, the devil, who is trying to knock us off course and make us run away. He doesn't want us to stand firm, because he doesn't want us to bring others to follow Jesus. The devil assaulted Jesus in the wilderness temptations, and he will have a go at us too.

"Standing Firm" will be the theme for All Saints service on 22nd August at 9.30am. Putting on the armour of protection is like a batsman in cricket putting on all the gear he needs to protect e.g. his legs, thighs, hands, forearm, chest and head. The batsman has to stand firm and hit the ball with his bat. If he doesn't stand firm, he won't hit the ball and will likely be bowled out. He has no protection for his back. I remember once watching a young cricketer, Peter, who went on to captain Somerset, facing a West Indian bowling at him at around 90mph – and this was in the days before they wore helmets! Peter managed to 'stand firm', even when the ball knocked off his cap! (A very good idea, helmets!).

As a Church, we need to stand firm in order to Proclaim Jesus, Change lives, and Serve our Community.

Proclaim Jesus We want to share Jesus with others, so they come to believe and to follow him. We are particularly investing in sharing Jesus with children and families in the parish. It is very encouraging that couples are bringing children for baptism at All Saints; it's an opportunity to welcome and teach them, and encourage them also to 'stand firm' as disciples of Jesus. We are also committed to proclaiming Jesus in Hamsey Green, where we need to re-vitalise God's work. From September, we are restarting some Sunday worship in St Antony's church. St Antony's is the only church in Hamsey Green; and, so far as I know, there are no other Christian groups witnessing in that part of our parish.

Change Lives The amazing thing is that becoming a Christian makes a huge difference in anyone's life. St Paul wrote that, 'If anyone is in Christ, they are a new creation' (2 Corinthians 5:17). Lives are changed, when we meet and worship Jesus. So, that's another reason to stand firm and keep on seeking to share Jesus with others. It's too easy to lose heart and give up doing this. We need to put on God's spiritual PPE by daily worship and learning.

Serve our Community We commit ourselves to caring deeply for one another and our community, providing hospitality and pastoral care. Thank you to all of you who regularly go out of your way to serve the needs of others – in so many ways – seeking to share the friendship, care and love of Jesus. Such serving is often unseen by others and is rarely glamorous. The temptation is to say to oneself that the hard work is not worth it, and then to give up. But God calls us all not to give up doing good, but to 'stand firm'.

That, briefly, is our mission, and we are getting on with it. However, if we are to stand firm in our faith, we need above all to be regular and persistent in prayer. St Paul wrote, 'Be alert and always keep on praying for all God's people' (Ephesians 6:18). Our main opportunity for praying together is our Parish Prayer meeting, held on the last Saturday of each month. This is the time particularly when we can pray together and bring to God our concerns and requests concerning the mission action plan. The overall goal of our prayers is simple: That God's name be hallowed, God's kingdom come, God's will be done. But this cannot happen if we do not pray, and do not keep going in the mission. A church that prays is a strong church; a church that doesn't pray is a weak church. The next Prayer Meeting is on Saturday 28 August at 9am. Please do come. Put the date in your diary; details will follow.

Your friend in the mission of Jesus,
Martin

THEY ARE NOT SUCH SILLY GEESE

By flying in V formation each bird flies in the slipstream of the bird in front and the whole flock can increase its flying range by 71% over a single bird flying alone.

People who share a common direction and a sense of community can get where they are going quicker and more easily because they are travelling in trust with each other.

When the lead goose gets tired, it rotates back into the formation and another goose takes up the lead position.

It pays to take turns doing the hard tasks, and sharing leadership, interdependently with each other.

Whenever a goose falls out of the formation, it quickly gets back into line in order to take advantage of the 'lifting power' of the bird immediately in front.

If we have as much sense as a goose, we will step into formation with those who are headed where we want to go.

The geese in formation honk from behind to encourage those up front to keep up their speed.

We need to make sure our honking from behind is encouraging —not something less helpful.

When a goose gets sick or wounded or shot down, two geese drop out of formation and follow to help and protect.

If we have as much sense as the geese, we'll stand by each other and give our love and support to those in need.

A local Celebrity - BERNARD THOMAS HUGH (1881-1936)

Written by Robert Randall *local musician*

Nowadays the name Bernard Hugh has been consigned to the waste paper basket of history - he does not even have a Wikipedia article to his name. Yet for a quarter of a century his name would have been seen by thousands of people at least twice a month and often more. For Bernard (or as he came to call himself "Bernhard" - maybe a foreign-sounding name sold more drawings) drew cartoons which appeared on the front cover of the Chelsea football club's home programmes between 1910 and 1936 with his name always incorporated into the picture.

Bernard was born in March 1881 to William Hugh, a brass founder [a person who makes objects from brass] and his wife Mary. They lived in the parish of St Paul's Llanelli on the south Wales coast. Ten years later Bernard was at school still in Llanelli but by 1901 as a young man of 20 he had travelled the east-west breadth of the country and was lodging in Ipswich working as a photographer. Although the first photograph dates right back to 1827 commercial photography was still considered something relatively new and the taking of portrait and family photographs was very popular in Edwardian times.

By 1911 Bernard had moved to London - in the census of that year he is living in Kensington and gives his profession as a "Painter (Artist)". However by then he was already working in the field that would bring him greatest success - the drawing of cartoons. He was working for the Croydon Advertiser - presumably in an artistic rather than a journalistic capacity - and was drawing cartoons for the short-lived local football team, Croydon Common who played in the Southern League from 1907-1915 and for Chelsea who were currently in Division 2 of the Football League. His Croydon Common cartoons for the 1910-11 season were so popular that they were advertised for sale in the Advertiser as a book compilation.

Hugh did not just do football cartoons. In the First World War he worked as an aerial photographer - a very dangerous job with a high mortality rate - and some of his cartoons are humorous takes on the life of a photographer stuck in the back of a Sopwith Camel or similar trying to take photos with long development times of enemy lines whilst simultaneously trying to dodge German anti-aircraft fire.

In 1924 he married Irene Dale who was 20 years his junior and who died in 1979. They lived in Norfolk Avenue off the Upper Selsdon Road and Bernard died there in August 1936. His grave is in the lower churchyard of All Saints (row J plot 4 if you know your way around) and, at least to us Chelsea fans, this means that there is a local "celebrity" buried there!

An example of Bernard's work from March 1931:

THE GREAT THAW. By Bernhard Hugh.

We hope that the deep depression which moved over from Birmingham and Blackpool to Stamford Bridge will be followed to-day by some bright spells from Blackburn and Chelsea.

WHY BE A HELPER OR VOLUNTEER?

We have all heard of the expression – “*Ask a busy person*” and from my experience, this is usually true, asking for help, but what drives a person to offer their help for particular tasks.

- We may be moved to offer help, as a result of our upbringing. My dad as a young man became Methodist Lay Preacher and apart from preaching on the local Methodist circuit he ran our Junior Church for many years. My mother, who was a teacher, made sandwiches to help the local club for the elderly. These are just two examples of when I was exposed to seeing my parents offering their kindness and help.
- Some people are exposed to peer-pressure e.g. being asked to help by a friend.
- Some may feel moved to help, using their life experiences to bring to the role, using their natural talents, skills, and as Tesco says “*every little helps*”.
- Others may be motivated by the cause – seeing poverty; loneliness; mental health difficulties; the importance of children’s development; helping people in need etc..
- Many people volunteered to help the NHS during the Pandemic.

Our All Saints Church Family is so grateful for the willingness of people who help in so many different roles and we need to give thanks for all of them.

So what inspired me to help:-

I look back to my parents, as mentioned above, and thus it comes fairly naturally to me, and looking back to school days, when we were encouraged to take on roles e.g. as a Prefect I helped to run our Scripture Union; to take on the task of Games Captain; to look after the Kindergarten during wet Break times etc. As I grew up I offered my services where possible. When I moved back to Sanderstead, I was recovering from Cancer and had just been diagnosed with Rheumatoid Arthritis having crippling flare ups at that time. There have been dark times, but the Lord has helped me and I also give thanks for my physicians and medication. However, I am so glad that I responded to the plea for extra help that was given out one Sunday morning by the then Churchwardens during our last interregnum.

Cont.

Is it worth offering help?:-

For me, the answer is most definitely yes and now I wear several 'hats'. Why? As we are part of the **All Saints Family working for the Mission of Christ**, but also for the joys of being part of the team and using our expertise in many different ways. My thanks go to all the volunteers endeavouring to achieve the Church logo that we use "welcoming all"

I was inspired to write this, after being asked by Rosanne for an offering, but also by my 16 year old grand-daughter, who after finishing her GCSEs has become a volunteer at East Surrey Hospital, of which I am delighted to see the next generation giving back to the community. Her dream is be a GP, so we wish her well in her endeavours.

Do not give up doing good, but 'stand firm'.

Following the pandemic causing the cancellation of our season last year, we are very pleased that our 2021/22 season will be able to go ahead. This will begin on **6th October 2021**, when we should be able to meet together as usual. We have put together a fascinating programme of talks to interest and entertain you!

We can assure you that there will be a warm welcome for everyone, whether you are renewing your membership, becoming a new member or attending as a visitor. We meet in the **Main Hall of Sanderstead United Reformed Church** at the bottom of Sanderstead Hill (by the library) starting at 8:00pm on alternate Wednesday evenings. The talks normally finish at around 9:00pm.

OUR FIRST TWO TALKS WILL BE:

6th Oct 2021. THE STORY OF ENGLISH FREEDOM – Illustrated talk by Andy Thomas

We welcome Andy back for a wide-ranging talk about the struggle for freedom, taking in Boudicca's rebellion, the Peasant's revolt and the Modern Poll Tax riots. Revolutionary ideas put forward in Cromwellian times by visionaries such as the Suffragettes and George Orwell will also be covered.

20th Oct 2021. SHERLOCK HOLMES MEETS JACK THE RIPPER – Dramatized talk by Tony Harris.

We welcome Tony back in the guise of Sherlock Holmes for a lively, interesting and detailed investigation into the Whitechapel murders.

If you would like any further information please contact the Programme Secretary on 020 8657 3761

Make a note in your diary for 3rd November 2021 when Nigel Bates will tell us the fascinating history of the organist Widor. Many of us will have left a church to his Toccata in F Major after getting married.

This meeting will be held in the Church

The season will comprise 12 evenings of great entertainment for only £25 per person for the whole season!!

Do not give up doing good, but 'stand firm'.

Spirituality Day

We have spent a long time thinking about the best way to hold this event in the context of the pandemic. We really did not want to hold such a beautiful and prayerful event online. But we were also conscious that an event which involved a lot of movement, packing into small rooms for workshops, and picking up items would make people uncomfortable about their safety. So we are not doing either of those.

Instead we have curated a day which we think will be uplifting and rewarding, but safe. It will be shorter than it has been in the past **10.00-1.00 on Saturday 9 October**. And we will just use one room – the main body of Southwark Cathedral. Although there won't be as many choices as there have been in the past, we are able to offer you some absolutely terrific speakers, outstanding musicians, and worship, meditation and prayer that will be very enriching. The day takes its inspiration from Isaiah 12:3:

The Lord God is my strength and my might;
he has become my salvation.
With joy you will draw water from the wells of salvation.

Do you know anyone with an interest in old radios?

Here is a photo of my Phillips radio on which I listened to the Goon Show in the 1950's when I was 10. It stopped working some years later when the valves wore out, and I never replaced them. It has sat in my house, moved from house to house, for about 65 years, with regular resolutions to get it repaired. I was even asked, years ago, to sell it to the Oxford Science Museum when it looked better than it does now.

Now the moment has come! The valves are dusty and probably unreplaceable. The bakelite case is worse for wear and a bit cracked. It needs someone to love it and care for it - which would make me much happier than simply taking it to the tip.

Do you know anyone? If so, please let me know.

HOMeward BOUND

At the setting of the sun
The sky took on a golden hue,
As a flock of geese
Skeined across the fading light.

The point of 'V' changed —
As the leader dropped out,
And another took over,
Changing the pattern yet again.

And so it is, with our spiritual flight
Moving ever upward into light.
Positions changing -
And other leaders showing us the way,
Homeward bound.

THE PRAYER OF SIR FRANCIS DRAKE, 1577

Disturb us, Lord, when We are
too well pleased with ourselves,
When our dreams have come true
Because we have dreamed too little,
When we arrived safely
Because we sailed too close to the shore.

Disturb us, Lord, when
With the abundance of things we possess
We have lost our thirst
For the waters of life;
Having fallen in love with life,
We have ceased to dream of eternity
And in our efforts to build a new earth,
We have allowed our vision
Of the new Heaven to dim.

Disturb us, Lord, to dare more boldly,
To venture on wider seas
Where storms will show your mastery;
Where losing sight of land,
We shall find the stars.
We ask You to push back
The horizons of our hopes;
And to push into the future
In strength, courage, hope, and love.

Thursday 16th September 12.30pm, All Saints

11 o'clock Stewards

You will have noticed that we are adding new services from September at both All Saints and St. Antony's Church, Hamsey Green ([See page 13](#)). We hope that these services will be popular with many.

So, we are looking for enthusiastic volunteers to act as *Stewards* from October onwards. It would involve handing out Communion books, making sure that everything is cleared away afterwards, and checking with the Priest regarding locking up. Please let Rosanne know if you would like to help.

Please continue to send me your thoughts, articles & ideas.

Thank you, *Rosanne*
