ADVENTure in December

This event will not happen without your help. We need the use of lots of garages during December, but we don't need the whole garage, just the first two to three feet (about 1 metre). You can push everything to the back and put up a curtain of black weed control fabric to hide everything including any shelves you might have on the side. If you really cannot make space or you don't have a garage, could you offer to help organise the display in somebody else's garage? Please let me know on 020 84071565 or email lynbriton@blueyonder.co.uk. *Lynne Davison*

Pat Seely has moved home

Pat Seely has moved permanently from her house in Norfolk Avenue and now resides at Hill House Care Home, 48-50 Park Road, Kenley, Surrey CR8 5AR, T: 020 8660 9336 (Pat has a telephone in her room xtn 502). I'm sure she would love to hear from her Sanderstead friends but perhaps a call to Hill House first if you plan to visit to avoid an excess of visitors at any one time. *David Chillman*
