COVID - As you will be hearing in the news, a new strain of covid is in circulation in the community again. We would ask that, if you have any covid-like symptoms, or you test positive for covid during the week, that you consider not attending church or church events in person but join us online instead. We have a significant number in our congregation who are extremely vulnerable (along with their partners) and we want to ensure that attending church is as safe as we can possibly make it. Your understanding and cooperation are as always much appreciated. *Mike and Sue, Churchwardens*

Safeguarding / 'A Safe Church': If you ever have any concerns, speak with one of the clergy or with Margaret Quiney 8657 4087 or Katheryn Hewitt 8657 6659, our Safeguarding Officers.
