Sponsor a Panel

The Church of England has set ambitious goals for churches to be 'carbon neutral' by 2030. All Saints has now installed over 50 solar panels on All Saints halls roof.

This will make a huge contribution to reducing our CO₂ output and is expected to generate approximately 65%-70% of our own green electricity needs. We are inviting everyone to "sponsor a panel". The cost of each panel is £500.00. If you would like to participate, please contact the Treasurer at: allsaints.treasurer@sanderstead-parish.org.uk to arrange the transaction.

Many thanks, Michael Turner
