## **St Antony's Organ – Opportunity & Carol Service**

This is now fully tuned and fully functioning. It will be played for the first time in many years at the St Antony's Carol Service on December 10th @ 3pm. It needs to be played regularly in order to keep functioning well. Please contact Paul Shipley, Parish Administrator, if you would like to book some time each month to play it. This is an original pipe organ - a rare thing these days - and a great opportunity to play one.
