Desperate Logistic Ukrainian Plea – Specific Machinery requested

Do you know anyone who has any of the following equipment to help the local Coordinator who organises lorry loads of gifts for war torn Ukraine? Owing to ULEZ, the transportation plans have had to be changed owing to mounting costs and the main collecting Warehouse has had to relocate. They desperately need the following:-

1. Euro Pallet sized 1.23m x 0.79cm
2. Forklift truck
3. Pallet Stacker to aid the pallets on and off the trucks

Thank you to those who gave gifts recently which will be transported to Ukraine.
