Storage needed for the Ukrainian Humanitarian Aid

ULEZ is causing huge problems and expense for the Ukrainian Humanitarian Aid Collections within the Borough. The Ukrainian Transport and Collection Coordinator is asking if anyone knows of any premises that are currently empty which could be used to store much needed gifts before being transported out to Ukraine. These premises would need to be outside the ULEZ zone. This is probably a fruitless ask, but the grapevine works in mysterious ways and 'nothing ventured nothing gained!' Please contact Margaret Quiney on 0208-657-4087. Thank you for your patience with my pleas for help.
