## **Church Website**

The current version of our website is now almost 10 years old and needs replacing. Corrie would like to get a small group together to research other church websites; to look at available software and then either to build or to commission a replacement website. Technical skills would be helpful but are definitely not essential. All that you need is an interest in bringing the Church website up to date. Please contact Corrie ([webmaster@sanderstead-parish.org.uk](mailto:webmaster@sanderstead-parish.org.uk)) if you would like to know more.

## **Rector's Office - Service Rotas**

The new rotas are out. There are some printed copies at the back of church. *Rosanne*

**Green Team Tip of the Week** to help you be even better stewards of God's lovely creation (and probably save you money too!).

### **Tip 9**

**Try not to use tumble dryers, best is OUTSIDE,  
next best over the radiators or a clothes horse,  
next best use a dehumidifier.**

If you MUST, then don't overfill them. It's good to fill your machine's WASH cycle, but a tumble dryer should never be more than 2/3 full, if the air cannot freely circulate, not only will it take a lot longer to dry (and therefore use more electricity) but it is actually a fire risk! Don't put it on twice though, that really defeats the object!

Just take a couple of items out and dry elsewhere.

Finally, remember, even the combined might of All Saints and St Anthony's can't save the planet alone, so SPREAD THE WORD!
