Men's Group Breakfast Talk Saturday 16 May, 9.00am

Len Abrams, Priest in Charge of Christ Church, South Nutfield, will be talking to us on with the intriguing title of "Living abundantly, choose your medals of honour carefully". He will no doubt draw on his experiences as a water engineer in Africa and his Christian ministry, together perhaps with his interest in Photography. Meet at 9.00 am in St Catherine's Aisle for tea / coffee and pastries ahead of a 9.30 start. All are welcome. It would be helpful (but not essential) if you could let Dick Hibberd (07775 824 743) or David Chillman (07870 978 844) know if you are able to attend.

Green Team Tip of the Week to help you be even better stewards of God's lovely creation (and probably save you money too!).

Tip 17 – Wash Clothes Less. Wear It, Air It!

Many of us toss clothes into the wash after a single wear. While this might feel clean, it's often excessive and creates unnecessary strain on our resources. We often assume if we've worn it, it's 'dirty'. Instead, try the 'Air and Wear' method. Items like jumpers, cardigans, jeans, and jackets can all go multiple wears with proper care. Hang them up to air out.

Washing clothes uses huge amounts of water, significant energy, and releases microplastics from synthetic fabrics. Less washing extends the life of your garments and reduces all these impacts.

Love your clothes, save the planet! We can do it!

Finally, remember, even the combined might of All Saints and St Anthony's can't save the planet alone, so SPREAD THE WORD!
