

Jonah and the Whale

1. Poke a hole in the bottom of the blue cup. (If you don't have a blue cup you could paint a white one or cover a cup with paper and paint)
2. Cut a string to length. The string should be about a metre long.
3. Thread the string through the hole and tie it to itself on the other side of the cup. Basically, you will have a string wrapped and tied around one edge of the cup.
4. Cut out a tail piece.
5. Using glue dots, attach the eyes and tail. To attach tail, fold the end so you have a tab to attach to the cup.
6. Fill a white balloon with flour so that it is just filled. Tie it off.
7. Draw a person on the balloon with black pen.
8. Tie your Jonah balloon to the end of the string.
9. Then you are ready to catch your Jonah in the cup!!
