

BUILDING/BOUNDARY OPTIONS IN RIDDLEDOWN

1. No boundary change or transfer of buildings; St James's redevelopment on current site.
2. No boundary change or transfer of buildings; St James's uses St Edmund's for agreed activities.
3. As above but St James's use of St Edmund's covered by formal sharing/management agreement.
4. Agreed period for Parish of Sanderstead to produce a plan including use of St Edmund's; if, at the end of this period it is concluded that use of the building would not assist the parish's Mission, one of the options below applies.
5. Transfer of St Edmund's building only, with no other boundary change (doubtful in legal terms).
6. Transfer of St Edmund's building and sufficient territory to connect it to Parish of St James's; if required, Parish of Sanderstead to use it for agreed activities under a similar agreement to that in "3."
7. Transfer of St Edmund's building and District (in whole or part) to Parish of St James's; option for Sanderstead use as in "6."
