

A LIFE CARE SERVICES® COMMUNITY

Why Choose Parkwood Independent Living

We understand that choosing the right community for yourself or your loved one can be difficult and that is why we try to make your senior housing decision easier by presenting our services in a way that conveys the value and quality of life that helps make Parkwood unique.

Serene Environment

Residents at Parkwood enjoy the serenity of a beautiful wooded campus surrounded by green space nestled in a quiet neighborhood in Bedford, Texas. Because Parkwood has a genuine, casual environment, our residents feel welcome and comfortable. It is easy to enjoy fresh air—walking, reading on your balcony, gardening, or sharing benches with friends to just chat and enjoy each other's company. It just feels like home. We are also conveniently located near excellent shopping, entertainment, dining and medical services.

Friendly, Established Team

Not only is Parkwood Retirement a great place to live, but it is a great place to work. Many team members have worked at our community for years, thus residents build long-lasting relationships with staff and enjoy the continuity of service.

No Long Term Leases

At Parkwood Retirement Community, we understand that our residents' circumstances sometimes can change rather abruptly, thus we operate with lease conditions requiring only a 30-day notice to vacate. This notice is waived when the move is necessitated by the need for a higher level of care. This means that our lease is month-to-month and that there is no long-term lease agreement. There is one monthly rent with no buy-in fee and no hidden fees.

Continuum of Care

Parkwood residents have the peace of mind of knowing that Parkwood Healthcare is right next door, if the need for additional care arises. Parkwood is the only community in the HEB area that offers a full continuum of care including independent living, assisted living, memory care, rehabilitation and skilled nursing.

Family-friendly Atmosphere

It is our continuous goal to help residents build meaningful relationships with their neighbors and with our staff. Oftentimes, our staff members become an extension of family for our residents, where everyone is on a first-name basis. We are proud of the relationships our community helps to foster, and our residents always know that with Parkwood, caring comes first.

Thanks to our residents and their families for sharing their kind words and positive reviews on SeniorAdvisor.com, Parkwood Retirement is one of 2021's The Best of Senior Living award winner on Senior Advisor and A Place for Mom. This exclusive designation honors the top one percent of senior care providers across the United States and Canada.
