

## Prices and services – Zaplatomer.bg

- ✓ A different number of Salary reports or access to the Salary tool for a different number of countries can be ordered on Zaplatomer.bg. It is also possible to combine these services, for example to purchase access to the Salary Tool for Bulgaria and Salary reports in other countries.
- ✓ Clients who order the Salary tool for several countries at a same time receive a 5% discount.
- ✓ The client has access to the purchased Salary reports through his account on Zaplatomer.bg.

The table shows the prices for the Salary Report and the annual access to the Salary tool in individual countries. Prices are without VAT.
