**Section:** FUZ - Future Urban Zone

**Sub-section:** FUZ - Future Urban Zone

#### **Provision**

The Future Urban Zone applies to the Northern Growth Area, Judgeford Hills and Judgeford Flat. The Northern Growth Area and Judgeford Hills are identified as being needed and suitable for residential development. Judgeford Flats is identified as being needed and suitable for industrial use.

#### **Golf Courses**

Currently Porirua has three golf courses. I was a member of Pauatahanui Golf course until it was sold to Gareth Morgan.

My understanding from club meetings during Pauatahanui sales process is that Titahi Bay golf course is struggling financially (similar to Pauatahanui) and could possibly close at some stage.

I felt Pauatahanui made a mistake in moving its funds to Royal Wellington instead of Judgeford Golf Club as this would have improved that courses long term viability.

Under the new district plan The Morgan's golf course is to be designated available for subdivision. Although Gareth is improving the course and has great plans it is still undoubtably losing money. A change to Gareth's health or financial situation would mean it's an easy decision to close and sub divide into lifestyle blocks.

This leaves Judgeford Golf club as the long-term golf option for Porirua. By zoning Judgeford Flats area as Future Urban Zone I would suggest this essentially signing its death warrant. It's not a matter of if but when it would sell. The land will be worth considerably more as industrial and eventually money will talk especially if the club has a few hard years.

Overall I predict if the district plan goes ahead in its current form, I would expect Porirua to have no golf courses within 20 years.

Thus I am opposed to zoning Judgeford Flats as a Future Urban Zone

**Relief sought**

No make Judgeford Flats a Future Urban Zone
