CONDITIONS OF SALE

All descriptions are reliable and accurate and the lots are sold as genuine and authentic, unless the contrary is indicated. The purchaser may reject the lot and return it within 7 days (post office date stamp) after the end of the auction, if he proves it is not genuine or incorrectly described. The lots must be returned intact and as originally despatched. Lots which have been examined by the buyers before the auction cannot be returned. Also, lots purchased in the room cannot be returned after leaving the place. Buyers have no right to reject mixed lots, collections containing undescribed items, or described as having defects. Any illustration is part of the description and items cannot be returned for defects visible in it. When the value of a lot lies in the cancellation and not in the stamp, any defects of the latter shall not be a reason for rejecting the lot.

The highest bidder shall prevail. In case of equal mail bids, the earlier arrived will be considered as successful. Telephone bids are acceptable, but should be confirmed in writing.

Before start selling or the date of the auction the Auctioneer has the right to withdraw any of the lots, to divide it into two or more parts, or to join two or more lots into one.

Bids should be received at least 2 hours before the start of the Sale.

Payment must be made in full just after the end of the sale in the room, or within 10 days after receipt of our invoice. Foreign buyers can pay by credit card (we accept Visa and Mastercard) or by Bank Cheque, personal cheque and money order in foreign currency or in euro. Interest shall be payable by the purchaser on any overdue account. The Auctioneer has a discretion to waive payment of the interest. Title shall remain to A. KARAMITOS until payment in full is received.

Any buyer could be excluded if he is not a person of good faith, according to the Auctioneer’s opinion.

The invoices and the lots will be mailed to the address given on the bidding form. Postage and insurance is charged to the buyers. No packing cost is charged. The receipt for “Registered” letter by the Post Office constitutes delivery receipt for the Auctioneer.

A 18% buyer’s commission will be added to the “hammer price” for each lot, plus the respective Value Additive Tax (VAT) on our commission. All prices expressed in the catalogue and all bids are in euro, unless otherwise is stated.

Unsold lots with starting price “OFFER” are not available for sale after the end of the auction.

The sale price of lots marked as “OFFER” is defined by the highest offer, highest bid wins the item at said price.

The bidder (either via mail or in the room) is responsible for the invoice’s payment, unless otherwise agreed, in writing, with the company.

Anyone who will take part in this Auction is familiar to the conditions of sale and accepts them. Any dispute shall be subject to the jurisdiction of the competent Court in Thessaloniki, Greece.
