Anti-Bacterial Range

LIVIA
Life. Style.

Your favourite Livia switches are now antibacterial

Beauty meets safety with the Antibacterial Livia range of switches.
Schneider Electric uses silver-ion technology solution that works together with
your regular cleaning practices to help keep switches and cover plates germ-free.
In a world where clean surfaces are proving to be essentials and lifesavers, a self
disinfecting switch surface will ensure peace of mind.

Advanced Features:

Germ Free Environment with
99.9% reduction in bacteria *

Self-disinfecting switch surface.

Anti-Bacterial technology with
micro silver ions.

Tested and validated as per
global safety standards.

*tested as per International standard in the third party lab..
