#### Further submissions

10 I would like to advise the Panel that there are further submissions that support submissions in their entirety, and which were omitted in my s42A report. These are:

- the further submission from QEII [FS06.1] supports the submission from Forest and Bird in its entirety
- the further submission from TROTR [FS70.50] supports the submission Te Whanau Horomona as follows:

*TROTR supports the submitter's amendments, additions, and supporting statements for the PDP on the basis that they support and uphold cultural values, intergenerational wellbeing and Ngāti Toa's role as mana whenua.*

11 In these cases, recommendations in relation to these further submissions reflect the recommendations on the relevant primary submission.
