

Further Submission on the Porirua City Proposed District Plan by Kāinga Ora – Homes and Communities

Clause 8 of Schedule 1 to the Resource Management Act 1991

TO: Porirua City Council

PO Box 50-218

PORIRUA CITY 5240

1. **Kāinga Ora – Homes and Communities** (“**Kāinga Ora**”) makes this further submission on the Porirua City Proposed District Plan 2020 (“**PDP**”) in support of/in opposition to original submissions to the PDP.
2. Kāinga Ora is a person who has an interest in the PDP that is greater than the interest the general public has, being an original submitter on the PDP with respect to its interests as a Crown agency responsible for the provision of state housing, and its housing portfolio in Porirua City. Kāinga Ora also represents a relevant aspect of the public interest and has an interest in the PDP greater than the general public for a number of reasons, including (without limitation):
 - (a) In Porirua, the housing portfolio managed by Kāinga Ora comprises approximately 2,700 dwellings. Kāinga Ora’s role includes the efficient and effective management of state housing and the tenancies of those living in them.
 - (b) it is essential that Kāinga Ora is able to meet its responsibility of providing efficient and effective state housing for the most vulnerable members of our society, so as to deliver to the social and economic wellbeing of these people and the wider community.
3. Kāinga Ora makes this further submission in respect of submissions by third parties to the PDP provisions to the extent that they directly affect the relief sought in its own submission, which seeks specific amendments to the PDP to better enable Kāinga Ora to provide for high quality cost effective, state housing to the people in the greatest need for the duration of their need.

4. The reasons for this further submission are:
- (a) The reasons set out in Kāinga Ora 's primary submission on the PDP.
 - (b) In the case of the Primary Submissions that are opposed:
 - (i) The Primary Submissions do not promote the sustainable management of natural and physical resources and are otherwise inconsistent with the purpose and principles of the Resource Management Act 1991 ("**RMA**");
 - (ii) The relief sought in the Primary Submissions is not the most appropriate in terms of section 32 of the RMA;
 - (iii) Rejecting the relief sought in the Primary Submissions opposed would more fully serve the statutory purpose than would implementing that relief; and
 - (iv) The Primary Submissions are inconsistent with the policy intent of Kāinga Ora 's submission.
 - (c) In the case of Primary Submissions that are supported:
 - (i) The Primary Submissions promote the sustainable management of natural and physical resources and are consistent with the purpose and principles of the RMA and with section 32 of the RMA;
 - (ii) The reasons set out in the Primary Submissions to the extent that they are consistent with Kāinga Ora 's submission; and
 - (iii) Allowing the relief sought in the Primary Submissions supported would more fully serve the statutory purpose than would disallowing that relief.
 - (d) Such additional reasons (if any) in respect of each of the Primary Submissions supported or opposed as are set out in the **attached** Schedule.
5. The specific relief in respect of each Primary Submission that is supported or opposed is set out in the **attached** Schedule.
6. Kāinga Ora wishes to be heard in support of its further submission.

7. If others make a similar submission, Kāinga Ora will consider presenting a joint case with them at a hearing.

DATED 11th of May 2021

Kāinga Ora – Homes and Communities

Brendon Liggett
