Kainga Ora Homes and Communities (KO) Submitter # 81 Without limiting the further submissions the specific submission numbers that are at issue are: 81.923, 81.815	<a href="mailto:developmentplanning@hnzc.co.nz">developmentplanning@hnzc.co.nz</a>  <a href="mailto:KWilliams@propertygroup.co.nz">KWilliams@propertygroup.co.nz</a>	Oppose	The submitter seeks: <ul style="list-style-type: none"> <li>- full reconsideration of the PDP framework to align with the UPS-UD (intensification and Future Urban Zone (FUZ);</li> <li>- KO generally supports the FUZ and the spatial extents proposed.</li> </ul>	The further submitters oppose the intent to keep the FUZ as currently proposed and the parts of the submissions that suggest major intensification of small urban suburbs as a principle land supply tool in the Porirua context.	Disallow those parts of the submission that undermine the 'Live Zoning' or residential land use for the areas of land subject to the FUZ in the Northern Growth Area.	Request that the part of the submission seeking confirmation of the FUZ or further intensification of small urban suburbs in preference to future residential development in the Northern Growth Area are disallowed.
Greater Wellington Regional Council. Submitter # 137.	<a href="mailto:Fleur.Matthews@gw.govt.nz">Fleur.Matthews@gw.govt.nz</a>	Oppose	Submission points 137.2 and 137.76. The submitter seeks imposition of undefined provisions in relation to the NPS-FM and promotion of unknown stormwater management methods in areas identified for urban development.	The planning provisions in the PDP must be certain and provide for the objectives in the Plan. The submission points do not provide certainty and do not promote integrated management.	Disallow the submission points where they result in an unknown outcome for the Northern Growth Area.	The further submitter seeks the submission points are disallowed.
Robin Smith. Submitter # 168.	<a href="mailto:robsmithii@xtra.co.nz">robsmithii@xtra.co.nz</a>	Oppose	Submission point 168.78 seeks a dual consenting process for bulk earthworks resulting from subdivision activity.	The submission point will lead to duplication of consenting processes. There could be inconsistency in processing between local authorities where they are assessing the same activities.	Disallow the submission point and retain the current framework as it relates to bulk earthworks.	The further submitter seeks the submission point is disallowed.
Friends of Taupo Swamp and Catchments Inc. Submitter # 178	<a href="mailto:judy mckoy@xtra.co.nz">judy mckoy@xtra.co.nz</a>	Oppose	Submission points 178.9 and 178.19 seeks amended provisions in the PDP to avoid effects on Taupo Swamp.	The submission points are well intended, and land development needs to ensure the ecological value of Taupo Swamp are maintained. However, the word "avoid" has planning implications and the PDP wording needs to be broadened to provide for appropriate activities.	Disallow the submission points.	Disallow the submission points and use a consistent approach that was established in PC18.
Royal Forest and Bird Protection Society. Submitter # 225	<a href="mailto:a.geary@forestandbird.org.nz">a.geary@forestandbird.org.nz</a>	Oppose	Submission points 225.19 – 225.22 seek to introduce policy direction and provisions in the PDP that are largely regional council functions. It also places an extensive mapping function on Porirua City Council when that obligation is for the regional council.	It is not appropriate to apply the submitted provisions and of the NPS-FM on the City Council.	Disallow the submission points.	The further submitter seeks the submission points are disallowed.
