MAY IT PLEASE THE HEARINGS PANEL

- 1 Transpower New Zealand Limited (**Transpower**) is a submitter and further submitter on the Proposed Porirua District Plan.
- 2 On 16 November 2022, the Hearings Panel issued Minute 52 inviting submitters who consider that the National Policy Statement for Highly Productive Land (**NPS-HPL**) is relevant to a submission that has already been heard, to advise the Hearings Panel by 30 November 2022¹.
- 3 Transpower does not wish to make further submissions in relation to matters the Hearings Panel has already heard.
- 4 Transpower maintains an interest in the overall implementation of the NPS-HPL. Transpower would look to engage with Porirua District Council at the appropriate time to ensure that the National Policy Statement on Electricity Transmission continues to be given effect as part of any proposed provisions implementing the NPS-HPL.
