<b>What decision are you seeking from Council? What action would you like: Retain? Amend? Add? Delete?</b>
Remove the SNA designation from the property

*[Faint, illegible text in a large rectangular box]*

**Reasons:**

The land has been conserved by my family for over 50 years, that is the reason that the bush is still on the property, the SNA removes our rights to manage it as we see fit, being dictated to by people that have no relationship to the land is the removal of property rights. If the land & bush is so special to the council and ecologists, then the council should purchase it.
