Please complete section below (insert additional boxes per provision you are submitting on):

The specific provision of the proposal that my submission relates to:
The rezoning of several areas to be medium density residential zones
Do you: Support? Oppose? Amend?
I support densification across the whole city in general and the only amendments I would support would be allowing greater density.
What decision are you seeking from Council? What action would you like: Retain? Amend? Add? Delete?
See my previous statement

Reasons:
Density allows more walkable neighbourhoods, will restrain house and rental price growth and make Porirua more sustainable.
