The specific provision of the proposal that my submission relates to:

The proposed rule that covers significant natural area(s) SNA. This has been identified on our property, which is residential land. We wish to develop this in the near future.

Do you: Support? Oppose? Amend?

Oppose.

What decision are you seeking from Council?

What action would you like: Retain? Amend? Add? Delete?

To delete SNA areas. That the boundary of the SNA be changed to represent the vegetation that is on our land.

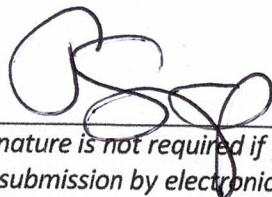

Reasons:

- The presence of these SNA area(s) on our property will restrict the ability to develop our land
- We used to farm this property. Most of the land which was farmed is covered with regenerated scrub.
- This is residential land that will become worthless, due to the proposed rules of SNA.
