Minute 28 – Hearing Stream 6 - Timetabling

1. As previously foreshadowed, the hearing for Stream 6 (Designations) will be held on 27-28 June 2022.
2. To facilitate an efficient hearing, the following procedural steps are directed:
 - (a) Release of Section 42A Report and any supporting evidence – 26 May;
 - (b) Submitter advice confirming intention to appear and advising any timing requirements – 2 June;
 - (c) Submitter expert evidence – 10 June;
 - (d) Rebuttal evidence – 17 June;
 - (e) Legal submissions and lay presentations longer than 3 A4 pages – 22 June.
3. We will confirm the timetabling of the Council’s Reply at the hearing, when we have a better understanding of the issues and evidence, but at present, the Council team should prepare on the basis that its Reply will be required by 12 July.
4. In all other respects, the general directions in Minute 2 will apply.
