**IN THE MATTER**

of Hearing of Submissions  
and Further Submissions  
on the Proposed Porirua  
District Plan

**Minute 31 – Stream 5 Site Visits**

1. The Hearing Panel has been approached by one submitter seeking upzoning of their property, requesting that we undertake a site visit prior to the hearing.
2. The Panel agrees that this would likely be advantageous. Other submitters seeking rezoning relief in particular are invited to consider whether it might assist the Hearing Panel to view their properties in advance of the hearing and, if so, to contact the Hearing Administrator.
3. The Hearing Panel's intention is to undertake site visits on the Sunday prior to hearing commencement (15 May 2022).
4. This will not preclude the Hearing Panel from undertaking further site visits after the hearing if required.
