

Cool Mountain Kids Pediatric Dentistry: Emergency Dental Care Roadmap

Navigating dental emergencies for your child with prompt and expert care.

Based on [Emergency.Html](#) by Cool Mountain Kids Pediatric Dentistry

Immediate: Assess the Situation

- Determine if it's a true dental emergency.
- Stay calm and reassure your child.
- Gather necessary information about the injury.

Within 30 Minutes: Contact Cool Mountain Kids

- Call our office immediately at (719) 590-7700.
- Describe the emergency and your child's symptoms.
- Follow our staff's instructions for immediate care.

Before Arrival: Prepare for Visit

- If tooth is knocked out, rinse it gently and try to reinsert it.
- If bleeding, apply gentle pressure with gauze.
- Collect any broken tooth fragments if possible.

Upon Arrival: Emergency Examination

- Our team will prioritize your child's emergency.
- A thorough examination will be conducted.
- X-rays may be taken to assess damage.

Treatment Planning: Discuss Treatment Options

- The dentist will explain the diagnosis.
- Discuss recommended treatment and alternatives.
- Address any questions or concerns you may have.

Post-Treatment: Follow-Up Care

- Receive detailed post-treatment instructions.

- Schedule any necessary follow-up appointments.
- Monitor your child's recovery and comfort.
