peelclear™
PROTECTIVE PEELABLE PAINT

**Paint.
Reimagined.**

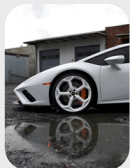

Transform Your Vehicle. Without The Commitment.

Transform your vehicle with a finish that looks like paint, protects your original finish, and removes when you're ready for something new.

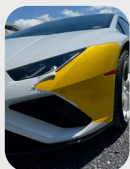

Looks like real paint

No seams. No edges. No film lines.
A true automotive finish.

Protects original paint

Helps defend against chips, scratches,
and UV exposure.

Fully removable

Change it. Refresh it. Return to stock
whenever you want.

BACKED BY A 20 YEAR WARRANTY

Color Without Limits

From OEM-inspired colors to dramatic Ultra Shift effects, Peelclear gives you the freedom to transform your vehicle with clear, solid, pearl, and color-shifting finishes.

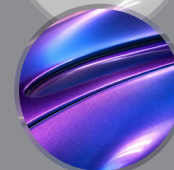

Clear Protection

Gloss, satin or matte

Solid Colors

A clean, uniform color

Pearl/ Ultra Shift

Add depth, shimmer & movement

Available finishes: Gloss / Matte / Satin

Paint Or Wrap? NOW YOU DON'T HAVE TO CHOOSE.

Paint offers a premium finish but is expensive and can't be reversed. Wraps and PPF can be removed, but rely on adhesives, often require extensive removal, and may damage underlying surfaces during removal.

Peelclear delivers the appearance of paint, the protection of a film, and the freedom to change your mind. No long term commitment. No adhesive layer. Simply return your vehicle to stock whenever you choose, no compromises.
