

peelclear™

PEELABLE AUTOMOTIVE PAINT

20 Year Limited Warranty Program

Confidence for the Long Term

Peelclear™ is a removable protective paint system engineered to transform, protect, and preserve vehicle surfaces while maintaining long-term removability. When installed by a Certified Peelclear Installer using approved Peelclear materials and procedures, the Peelclear system is backed by a 20-Year Limited Warranty covering qualifying product defects.

If a verified defect in the Peelclear product causes the Peelclear system to fail, Peelclear will stand behind the product and provide an approved remedy under the terms of this warranty.

01. Engineered To Perform

Peelclear is designed to provide:

- Temporary surface transformation
- A removable protective coating layer
- Protection from normal environmental exposure
- Long-term product integrity
- Controlled removability
- Preservation of suitable underlying surfaces
- A premium alternative to paint and vinyl-based appearance changes

When properly installed, maintained, and removed, Peelclear is intended to help protect the surface underneath while delivering a custom finish.

02. What Is covered

The Peelclear 20-Year Limited Warranty covers qualifying failures of the Peelclear coating system resulting from verified defects in Peelclear materials or approved system components.

Covered failures may include:

- | | |
|---------------------------|--|
| • Delamination | • Premature yellowing caused by material degradation |
| • Blistering | • Cracking or structural breakdown |
| • Adhesion failure | • Loss of intended protective performance |
| • Product-related peeling | • Other verified manufacturing defects |

03. Understanding Coverage

Peelclear warrants the performance of the Peelclear product system. Peelclear does not warranty the condition, quality, stability, repair history, or long-term performance of the paint or surface underneath.

Surface results may vary depending on:

- | | |
|-----------------------|--------------------------|
| • OEM paint condition | • Environmental exposure |
| • Repaint history | • Maintenance history |
| • Previous repairs | • Removal procedures |
| • Surface preparation | |

**In Simple Terms, Peelclear warrants the Peelclear system itself.
Peelclear does not warranty the substrate underneath.**

04. Protective Performance

Peelclear is designed to function as a removable protective paint layer. While Peelclear helps protect vehicle surfaces from normal environmental exposure and contamination, no protective coating can prevent every form of damage.

Peelclear does not guarantee protection against:

- | | |
|---------------------|----------------------------|
| • All scratches | • All chemical damage |
| • All rock chips | • All staining |
| • All impact damage | • All environmental damage |

05. Premature Yellowing Coverage

Premature yellowing is covered when the discoloration is caused by degradation of the Peelclear product itself.

Coverage does not apply when discoloration is caused by:

- | | |
|-------------------------------|----------------------|
| • Environmental contamination | • Bird droppings |
| • Harsh chemicals | • Industrial fallout |
| • Fuel exposure | • Staining |
| • Improper maintenance | • Normal aging |
| • Tree sap | |

06. Warranty Remedies

If Peelclear approves a covered warranty claim, Peelclear may provide one or more of the following remedies:

- | | |
|--------------------------------|----------------------------------|
| • Replacement product | • Approved removal support |
| • Product refund | • Approved reapplication support |
| • Approved labor reimbursement | • Approved repair procedures |

All labor-related expenses must be approved in writing by Peelclear before work begins.

07. Warranty Remedy Limit

Up To \$3,000 Per Approved Claim. This maximum includes:

Replacement product • Refunds • Approved labor reimbursement • Approved removal costs • Approved reapplication costs • Approved repair procedures • Any other approved warranty remedy

\$3,000

08. What Is Not Covered

This warranty does not cover:

INSTALLATION & WORKMANSHIP

- Improper installation
- Improper surface preparation
- Installer workmanship errors
- Improper maintenance
- Improper removal

SURFACE CONDITIONS

- Pre-existing paint damage
- Repaint failure
- Prior bodywork issues
- Unstable paint systems
- Corrosion or oxidation
- Improperly cured paint

ENVIRONMENTAL & PHYSICAL DAMAGE

- Rock chips
- Road debris
- Scratches
- Impacts
- Accidents
- Vandalism
- Racing or track use
- Harsh chemicals
- Automatic brush car washes
- Environmental contamination left untreated

NON-APPROVED MATERIALS

- Non-approved top coats
- Third-party additives
- Third-party reducers
- Non-approved coatings or chemicals

EXTERNAL COSTS

- Repainting, vehicle repair, rental vehicles
- Loss of use, travel expenses, storage fees
- Diminished value, business interruption
- Third-party claims

09. Warranty Requirements

To maintain coverage:

REQUIREMENT	STATUS
Installation by a Certified Peelclear Installer	Required
Use of approved Peelclear system components	Required
Warranty registration within the required timeframe	Required
Signed Customer Acknowledgment and Release	Required
Compliance with Peelclear aftercare instructions	Required
Required warranty check-ins every three years	Required
Prompt cleaning of contaminants	Required
Timely submission of claims	Required

10. Filing A Claim

If a warranty issue occurs:

1. Submit a claim through the Peelclear Warranty Portal.
2. Provide supporting documentation and photographs.
3. Do not repair, remove, modify, or reapply the affected area before Peelclear reviews the claim.
4. Follow any inspection or documentation requests provided by Peelclear.

Claims may require proof of purchase, installation records, maintenance history, warranty registration records, and photographs of the affected area.

11. What A 20 Year Warranty Means

A 20 Year Warranty does not mean:

- | | |
|--------------------------------------|--|
| • The finish will look new forever | • Every removal will produce identical results |
| • Every scratch or chip is covered | • Cosmetic perfection is guaranteed for 20 years |
| • The underlying paint is guaranteed | |

A 20 Year Warranty means Peelclear stands behind the long-term integrity and intended performance of the Peelclear system when properly installed, maintained, and removed according to Peelclear requirements.

12. Simple Warranty Promise

Peelclear stands behind the long-term performance of its removable paint system.

If a verified product defect causes the Peelclear system to fail, Peelclear will review the claim and provide an approved remedy under the terms of this warranty.

IMPORTANT NOTICE

This Warranty Summary is provided for general informational purposes only. The full Peelclear 20 Year Limited Product Warranty contains the complete terms, conditions, exclusions, eligibility requirements, remedy limitations, and claim procedures. In the event of any conflict between this summary and the full written warranty, the full written warranty controls. Full warranty terms apply.
