**Application for conformity assessment of revised documentation of the Czech Forest Certification System with the PEFC Council requirements**

Dear Ben,

herewith, the PEFC Czech Republic submits its application to the PEFC Council for conformity assessment of the revised documentation of the Czech Forest Certification System (CFCS) with the requirements of the PEFC Council.

The periodic revision started in September 2015. The revised documents were adopted by the General Assembly of the PEFC Czech Republic on May 25, 2016.

Please find attached the following documentation:

1. Development report from the revision of CFCS (Annex\_1\_Development report\_CFCS\_EN) including the standard setting procedures (Annex\_2\_ND\_CFCS\_01\_EN) and records on the standard setting process.

2. Revised CFCS documentation

TD CFCS 1003:2016 EN Criteria and indicators of sustainable forest management

TD CFCS 1004:2016 EN Requirements for certification bodies operating forest management certification
