

20 YEARS  
CARING FOR  
OUR FORESTS

# Regional certification – the only way for small scale forestry

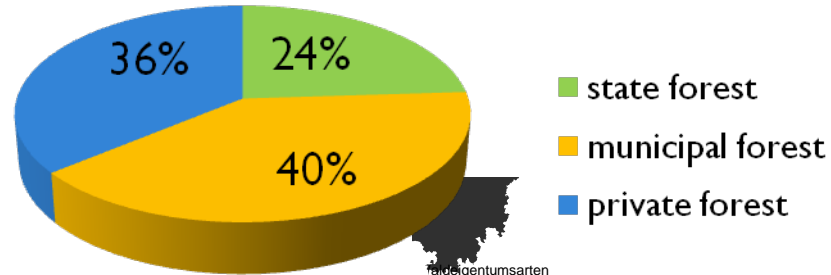

---

# Forest owners in Baden-Württemberg

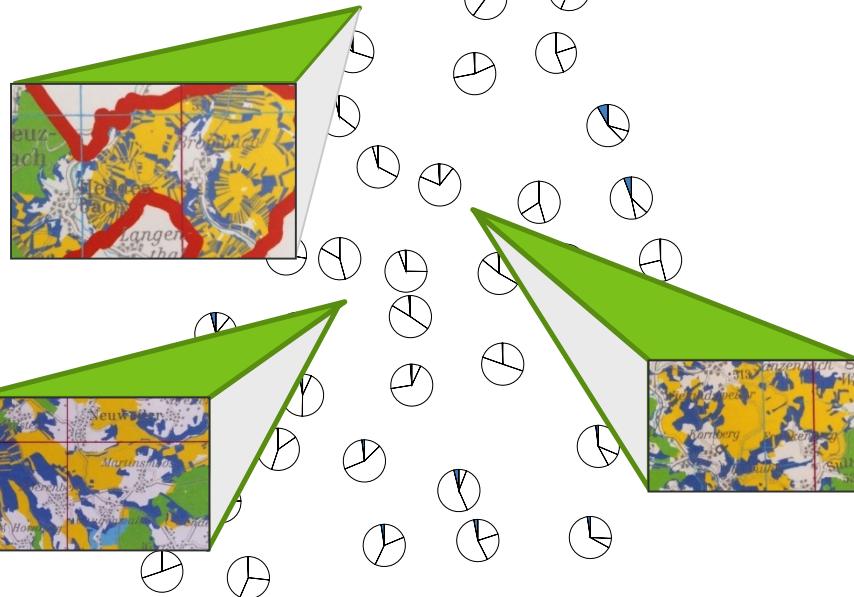

## Forest ownership

1,35 mio. ha forest land (= 40% of total area)

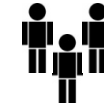

**Eigentumsarten**

- Landes- und Bundeswald
- Körperschaftswald
- Privatwald
- Sonstige Körperschaften

**municipal**

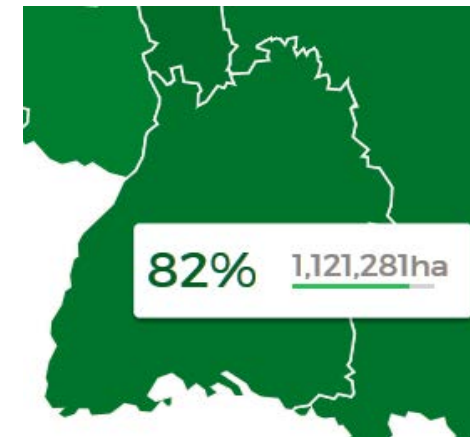

1.100 forest owners

**private**

230.000 forest owners

20 YEARS  
CARING FOR  
OUR FORESTS

Regional certification because ...

of the cost – value – ratio

... from a forest owners point of view

... from a controllers point of view

Regional certification because ...

of self-governance

... responsibility

... transparency

... identification

Regional certification because ...

of focus

... analysis

... activities

**Thank you for your  
attention !**
