You've Been Booed!

The moon is up, the leaves are down,
a friendly ghost has come to town!
It left some treats outside your door.
Now share the fun and boo two more!

What to do next

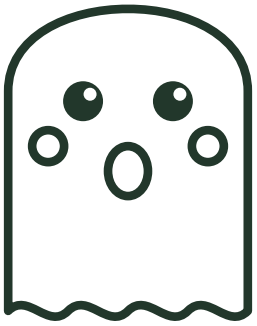

1. Enjoy your treats!
2. Color the “We’ve Been Booed!” sign and hang it on your door.
3. Make two treat bags. Add a note and a sign to each one.
4. Leave them for two neighbors. Shh! It’s more fun if it’s a secret.

With Peko Pal, kids print pages like this themselves.
