How to Fold Your Fortune Teller

Follow the pictures. The lines on the square show each fold.

Medium | Scissors needed

Fold toward you — Fold behind

1

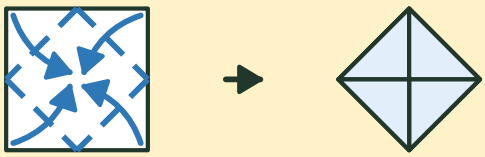

Cut out the big square on the dashed line.

2

Turn it over, so the printed side is face down.

3

Fold each corner in to the middle.

4

Turn it over.

5

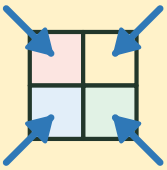

Fold each corner in to the middle again.

6

Fold in half and unfold, then the other way.

7

Slide thumbs and first fingers under the colored squares.

8

Push the points together. Ready to play!

How to play

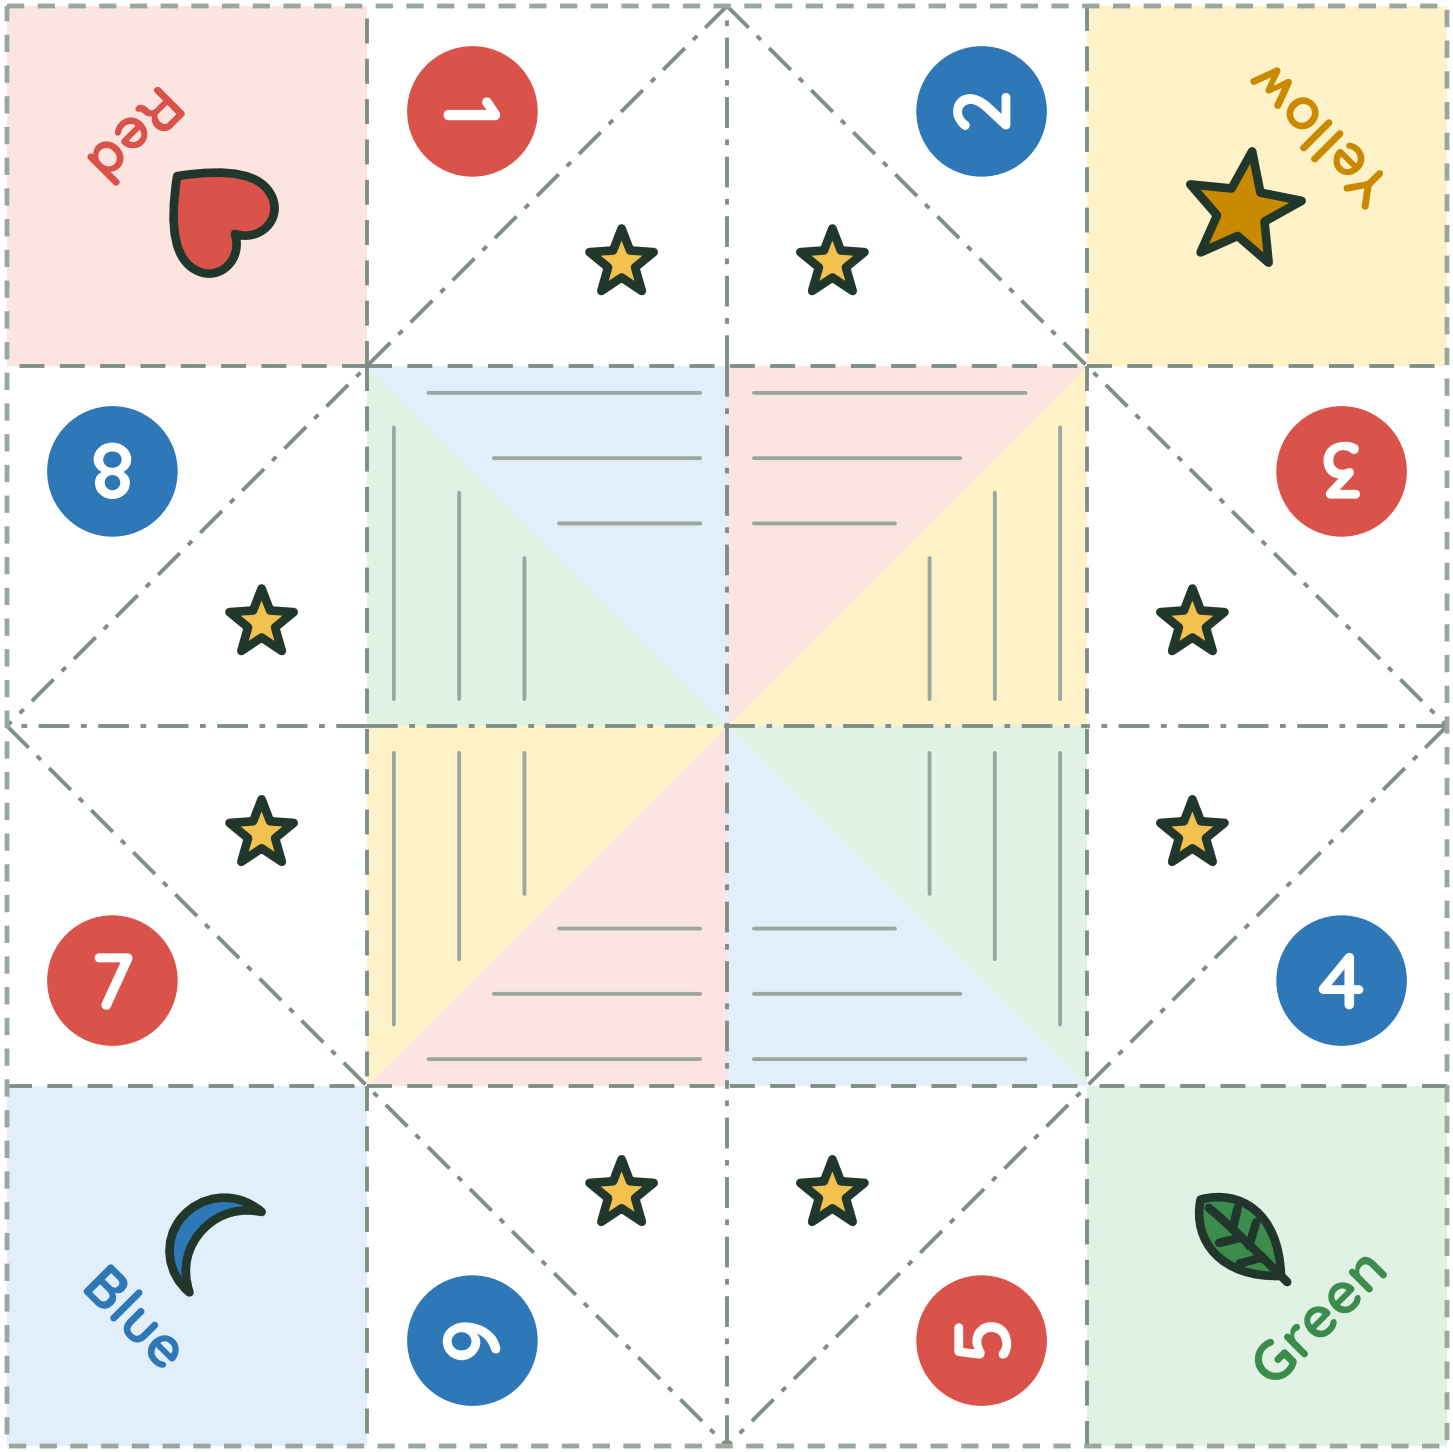

1. Ask a friend to pick a color. Spell it, opening and closing once per letter.
2. Ask them to pick a number they can see. Count it out the same way.
3. Pick one more number. Lift that flap and read it out loud!
