

1. All mint activities will happen at **petaverse.com**. Follow the link in your personal email and sign in with MetaMask

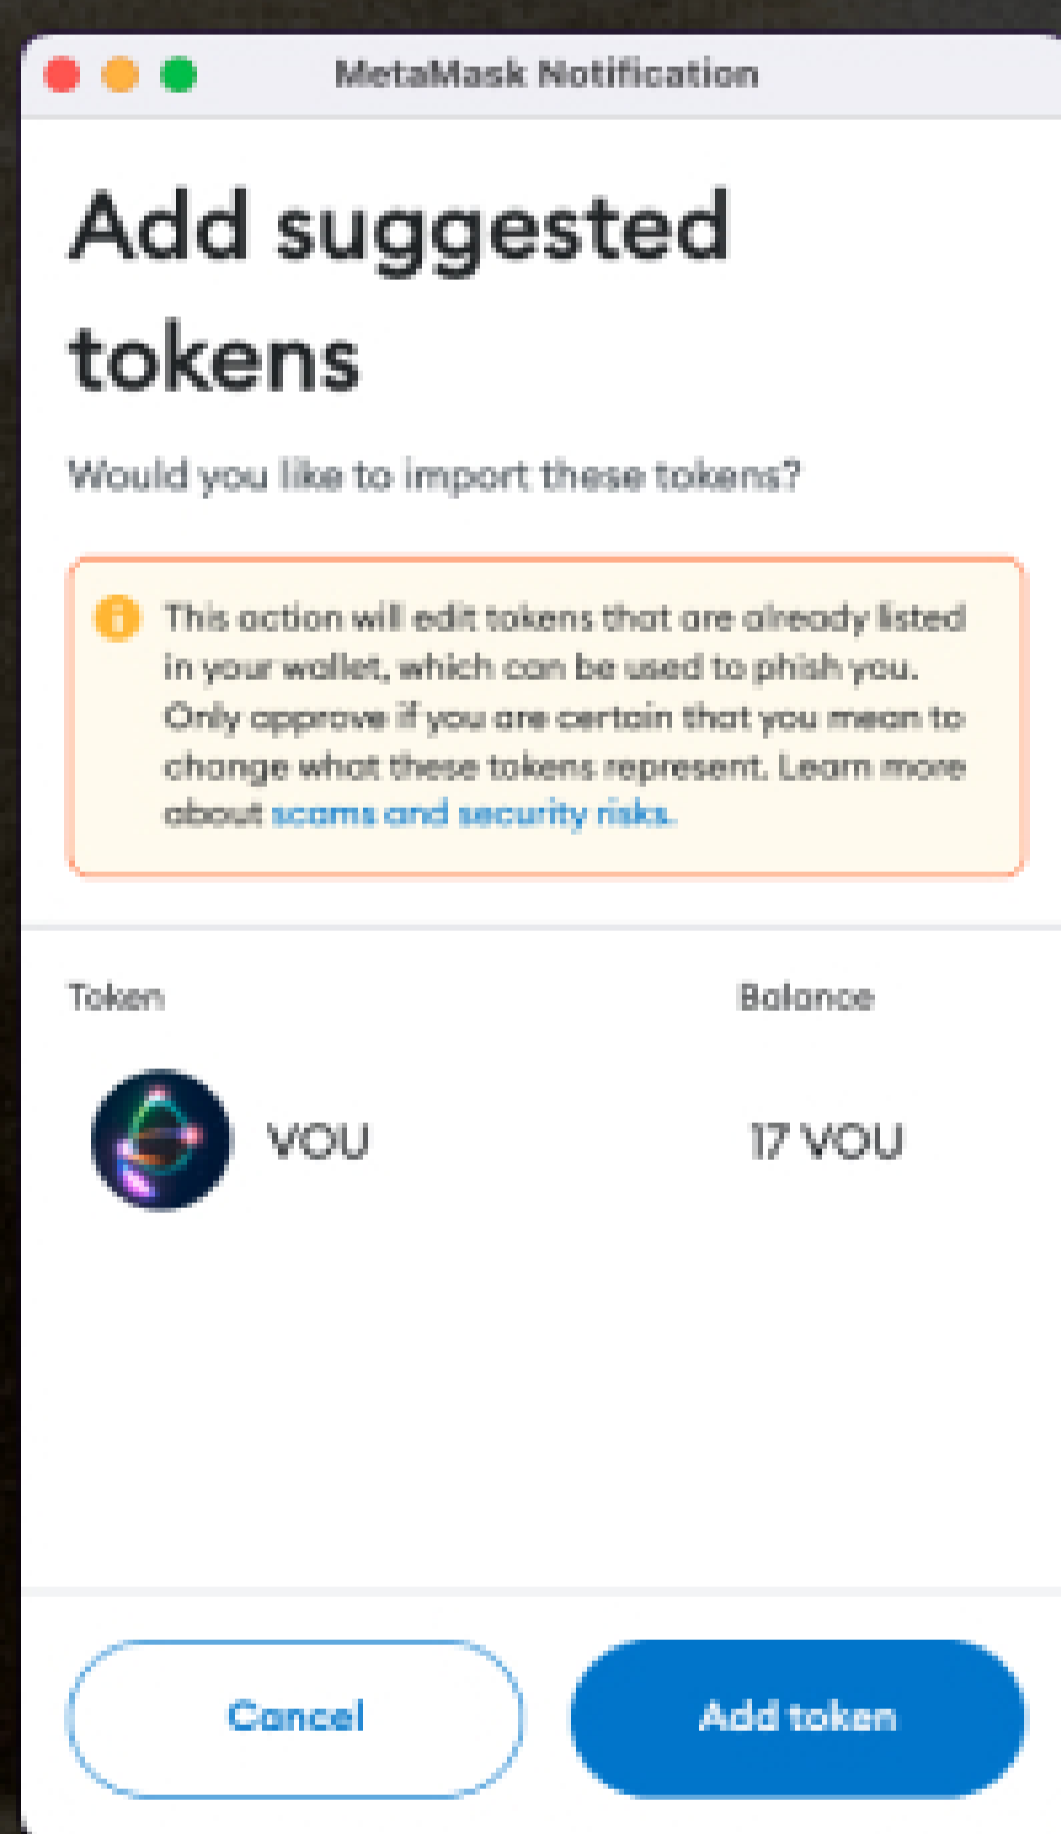

2. Connect your wallet

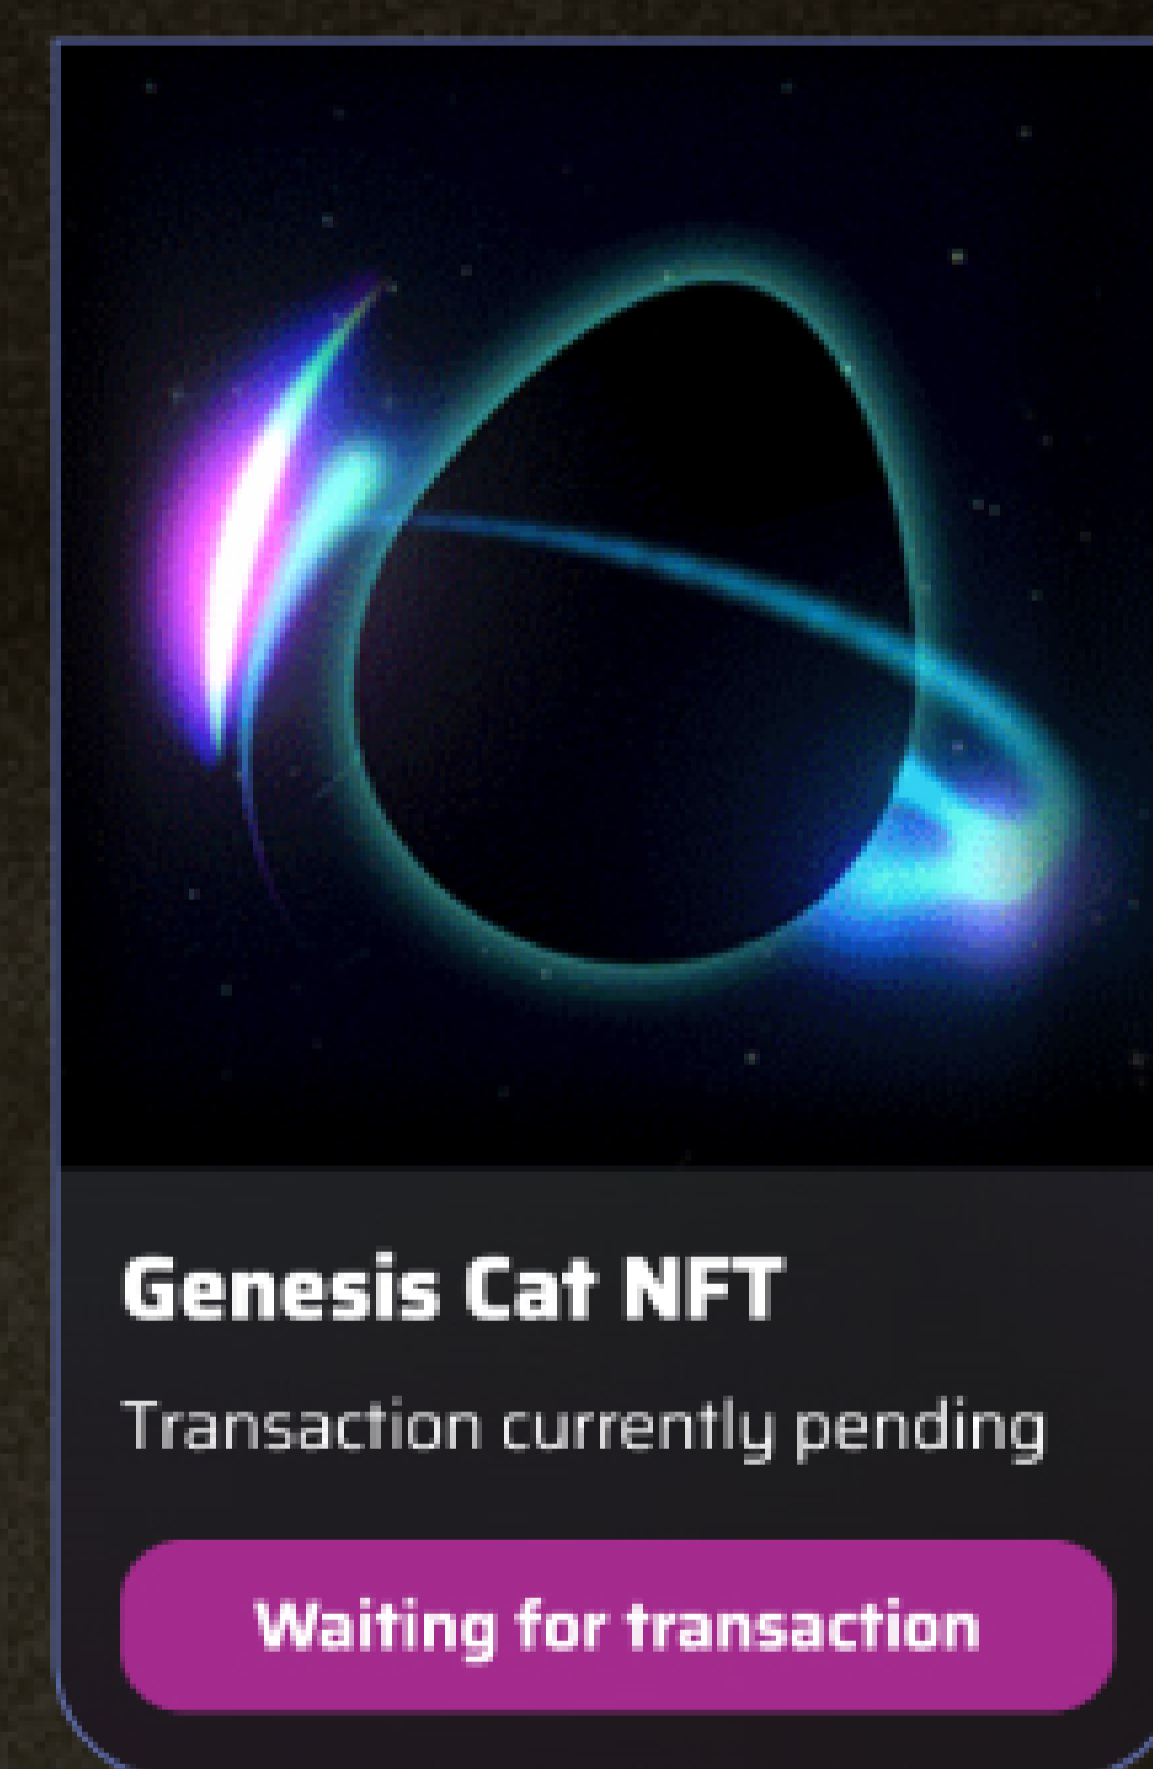

3. You will be taken to Buy Vouchers page. Here you can buy a Genesis cat voucher. **The mint price is 0.15 ETH + gas fees.** Click on 'Buy Voucher' when you're ready

4. If you live in the UK, tick the check box for tax purposes. You'll be taken to MetaMask checkout after **clicking 'Accept'**

5. Sign the wallet signing pop-ups for token approval and transaction approval

6. Wait for the transaction to complete

7. From **March 27th** exchange any purchased vouchers and unbox your very own immortal **Genesis cat!**
