Appendix 1 Zone Maps

The Director is hereby authorized to cause parking meters to be installed and meter spaces to be designated in parking meter zones. Parking meter zones shall be in effect only between the hours of 8:00 a.m. and 6:00 p.m. Monday through Saturday, and at any time as determined by the City Treasurer for zones with "Dynamic Hours". Rates and the legal time for such parking meter zones shall be set by the City Treasurer in accordance with the Parking Meter Zones Master Plan, but the period of legal time shall not be less than two (2) hours in a neighborhood business district.

Within six (6) months of the effective date of this section and every third year thereafter, the Director shall review all parking meter zones and all rates, legal time and enforcement practices and, any other rules or regulations pertaining to metered spaces, and based on the review submit legislation titled the Parking Meter Zones Master Plan. The Parking Meter Zones Master Plan shall include a comprehensive description of all designated parking meter zones with all rates, legal time, enforcement practices, and any other rules and regulations which apply to a parking meter zone with an explanation of such rates, legal time, enforcement practices, rules or regulations. Council shall hold a public hearing on the Parking Meter Zones Master Plan before final action is taken.
