XC90

Red Key. Limiting the car's top speed to 75 mph by default, this key remote is ideal for young adults that have just learned to drive. It also limits the audio volume and sets the Adaptive Cruise Control to the longest possible distance.

\$220

Polestar Engineered Optimization Software (Excluding T8). Need a little extra power when entering the highway or climbing a steep incline? Polestar software optimization is the answer. It's super-efficient tuning software that optimizes the engine performance by adding more power and torque without affecting fuel economy or the Volvo factory warranty.

\$1,295

Running Boards. Volvo integrated running boards with illumination make it easy to enter and exit the vehicle and to load the vehicle's roof. Made of strong aluminum for the lowest possible weight and high resistance, the surface of the running board consists of stainless steel with anti-slip inserts, and everything is framed in a color-coded plastic panel that matches the exterior of the car. They have LED illuminated strips on the outer edge, indicating where to place your foot while also giving the vehicle a stylish appearance. The running board replaces the car's standard sill moldings.

\$2,310

Protective Steel Grille. With this protective steel grille, unsecured loads are prevented from causing harm in the cabin when cornering or braking sharply. Easy to remove when not in use.

\$410

Load Carrier. Aerodynamically shaped aluminum wing profile load carriers feature T-tracks for installing Volvo roof-mounted accessories.

\$325

Retractable Trailer Hitch. With the push of a button, the Retractable Trailer Hitch electronically folds out and is ready for use. Features a Class III, 2" square profile receiver, 2" diameter ball, and has a maximum towing capacity of 5,000 lbs. Includes wiring harness and electrical socket.

\$1,550

Mudflaps. Designed as a natural part of the car's wheel arch, these robust mudflaps protect the body and side scuff plates from mud and flying stones. Set of two.

\$170

22" 6-Double Spoke Tech Black Matte Alloy Wheel. Includes summer tires. Set of four.

\$4,230

21" 10-Spoke Turbine Tinted Silver Diamond Cut Alloy Wheels. Includes all-season tires. Set of four.

\$3,800

**PROTECTION PACKAGE
PREMIER**

Comprised of five popular accessories including: Rubber Floor Mats, Plastic Luggage Compartment Mat, Rear Bumper Protector, Locking Wheel Bolts, and License Plate Frame.

\$665

REAR BUMPER PROTECTOR

This exclusive load protection in brushed stainless steel helps you protect the rear bumper when loading and unloading cargo.

VOLVO LICENSE PLATE FRAME

Add even more luxury to your Volvo with the bright polished stainless steel slimline license plate frame. It features a laser etched Volvo logo and includes four bright polished acorn mounting nuts.

RUBBER FLOOR MATS

Volvo floor mats fit perfectly and are colored coordinated to match the interior. They are soft and flexible, and have raised edges all around, protecting the interior against moisture and dirt. The driver's mat has a comfortable textile foot plate that protects shoes from wear, and each set of mats includes a tunnel mat for the passenger compartment floor.

PLASTIC LUGGAGE COMPARTMENT MAT

Specially designed for the rear of the XC90, this practical, color-coordinated molded plastic mat traps dirt and water, and features a high-friction coating to stop loads from sliding.

LOCKING WHEEL BOLTS

Wheel bolts with a special lug "key" to deter theft. Set of four.

XC60

Red Key. Limiting the car's top speed to 75 mph by default, this key remote is ideal for young adults that have just learned to drive. It also limits the audio volume and sets the Adaptive Cruise Control to the longest possible distance.
