

## COMING ATTRACTIONS

**THE 5TH ANNUAL OUTSOURCING IN CLINICAL TRIALS SOUTHEAST CONFERENCE** will take place March 15 and 16 in Cary, N.C. Attendees will have the chance to discuss, deliberate, and debate the latest operational and outsourcing challenges in conducting clinical trials. This two-day, content-driven event offers a program jam-packed with solutions to address clinical trial challenges. High-level presentations will discuss adaptive design, risk-based monitoring, and EDC.

PharmaVOICE will be attending this conference. To schedule a meet-up, contact [tgrom@pharmavoice.com](mailto:tgrom@pharmavoice.com), subject OCT Southeast.

# CLINICAL DATA INTEGRATION & MANAGEMENT

March 22-23, 2016, The Doubletree Princeton, New Jersey, USA

**Clinical Data Integration and Management Conference – excellent opportunities for frank business and partnering discussions.**

## **Why this event, why now?**

As the speed of change in clinical data management is accelerating, many people are keen to find out how to stay ahead of the game. The many acquisitions arising as a proof of further increase of efficiency of drug development and growth has meant the process has become ever more challenging for data management that is under constant regulatory change. CDIM 2016 aims to provide a platform for senior level decision makers from across the pharma industry and uncover all the trends and strategies you need to know about to ensure you are up to date and inspired. Key themes and topics for this year include:

- **Data utilization solutions** to generate efficiency and reduce time and cost consumption
- Strategic models for **data collection**
- Easy to implement approaches for **data visualization**
- Achieving **data integration** across different data sources
- **Portfolio management** – How to effectively manage acquisition and divestiture related clinical information and data transfers as a way of shaping pipeline portfolios
- Evolving role of **data managers**
- **Developing effective relationships** with CROs
- Investigating efficient trial **design solutions** to avoid protocol deviations

**Join us in Princeton and find out more about the scalable solutions available to meet your organisation's challenges.**
