

COMING ATTRACTIONS

THE CNS SUMMIT 2016 — Collaborating for Novel Solutions — will be held Oct. 27-30, in Boca Raton, Fl. The CNS Summit is a community passionate about making a difference and shaping the future. The conference is designed to be action-oriented, future-focused, and networking rich. A compelling program and a collaborative environment bring together thought leaders from throughout the industry.

The mission of the summit is to have a positive impact on the success of drug development programs. The founders of the summit believe this mission is an ethical duty to the patients being served by developing new treatments.

Register for the CNS Summit using the code PV2016 for \$100 off your registration. For more information, visit cnssummit.org.

9TH ANNUAL Clinical Trial Supply West Coast 2016

18TH–19TH MAY 2016, SAN MATEO, CALIFORNIA

Building effective solutions to your clinical supply inefficiencies to ensure cost effective and timely delivery

Following the success of last year's event, the highly anticipated Clinical Trial Supply West Coast conference is returning for its 9th edition, taking place in San Mateo, CA . As workloads increase and timelines decrease, this event offers a **unique opportunity to network with your peers, listen and learn from key experts, meet suppliers and have in-depth discussions to source solution to your supply chain issues.**

Key 2016 topics include:

- Highlighting the journey to build a system for managing clinical studies
- Considering your packaging needs - saving time and costs by considering packaging as more than an after thought
- Getting your trial drugs from x to y - building partnerships and keeping to your timelines
- Controlling your temperatures – what's new and what you need to know
- Tackling your trial imports to ensure efficient supply to your trial sites and maintain your timelines
- Presenting Excel forecasting tools for biotech on a budget

2016 Speaker Panel includes:

- **Bill Coakley**, Director, Global Supply Chain Planning, **BioMarin Pharmaceuticals**
- **Meserve Platt**, Director of Facilities & Materials, **Crescendo Bioscience Inc.**
- **Karen Paese**, Director Clinical Supply Chain Management, **Gilead Sciences Inc.**
- **David Larwood**, CEO, **Valley Fever Solutions**
- **David Volk**, Global Head, Clinical Supply Strategic Resource & Portfolio Management, **Genentech**
- **Irfaan Hafeez**, Clinical Trials Supply/ Logistics Manager, **OncoGenex Technologies Inc.**

Clinical Trial Supply Nordics 2016

14TH–15TH JUNE, COPENHAGEN, DENMARK

Collaborating to discover innovative strategies to improve efficiency within local and global clinical supply chains

The 2016 Clinical Trial Supply Nordics conference will provide solutions to professionals in the **Nordic region, home to some of the world's most innovative pharma and biotech companies.** This interactive two day conference offers a unique platform for attendees to discuss relevant topics, hear from leading industry representatives and gain expert knowledge on how to successfully overcome challenges currently facing the clinical supply chain.

Key 2016 topics include:

- Addressing how scientific data and a risk-based distribution strategy can lower the risk of temperature excursions to avoid wasted product within the clinical supply chain
- Investigating typical findings and observations in GMP audits and inspections to explore how best to comply with current regulations
- Debating how to simplify labels to increase efficiency while also remaining regulatory-compliant
- Exploring current regulations to determine best practice and avoid delays in clinical supply caused by non-compliance
- Exploring the challenges of clinical manufacturing from a small company perspective

2016 Speaker Panel includes:

- **Eva-Lotta Persson**, Supply Chain Programme Manager, **Astrazeneca**
- **Mette Bjorn**, Medicines Inspector, **Danish Medicines Agency**
- **Janet Hoogstraate**, Head of Clinical Manufacturing, **Valneva**
- **Carsten Vendelbo Jensen**, Trial Supplies Planner, **Novo Nordisk**
- **Dan Markusson**, COO, **Peptonic Medical**
